Signature Patron Experiences

The Getty Patron Program connects individuals who share Getty's commitment to art, culture, and ideas. Throughout the year, Patrons enjoy **exclusive events and activities** at the Getty Center and Getty Villa, as well as online benefits including roundtable discussions, webinars, and exclusive digital content.

Patrons preview exhibitions before they are open to the public and enjoy private family programming and pop-up events with curators, conservators, and Getty experts.

Our most generous supporters also enjoy a special evening hosted by the Getty President as well as private gallery viewings, and other behind-the-scenes experiences.
