This Bond is one of a duly authorized issue of bonds of the Issuer designated as “California Infrastructure and Economic Development Bank Variable Rate Revenue Bonds (The J. Paul Getty Trust)” (herein called the “Bonds”), limited in aggregate principal amount to two hundred seventy-five million dollars ($275,000,000) and issued pursuant to the provisions of the California Infrastructure and Economic Development Bank Act, constituting Division 1 of Title 6.7 of the California Government Code (commencing with Section 63000 thereof) (as now in effect and as it may from time to time hereafter be amended or supplemented, herein called the “Act”) and a bond indenture, dated as of May 1, 2003, and amended and restated as of February 1, 2005, between the Issuer and the Bond Trustee (herein called the “Bond Indenture”). This Bond is also one of duly authorized series of the Bonds further designated as “Series 2003_Bonds”), limited in aggregate principal amount to ______________ million dollars ($______,000,000). The Bonds are issued for the purpose of making a loan to the J. Paul Getty Trust, a charitable trust created and existing under the laws of the State of California (herein called the “Getty Trust”), pursuant to a loan agreement, dated as of May 1, 2003 (herein called the “Loan Agreement”), between the Issuer and the Getty Trust, for the purposes and on the terms and conditions set forth therein.

Reference is hereby made to the Bond Indenture (a copy of which is on file at said Designated Office of the Bond Trustee) and all indentures supplemental thereto, to the Loan Agreement (a copy of which is on file at said Designated Office of the Bond Trustee) and to the Act for a description of the rights thereunder of the registered owners of the Bonds, of the nature and extent of the security, of the rights, duties and immunities of the Bond Trustee and of the rights and obligations of the Issuer thereunder, to all the provisions of which Bond Indenture and Loan Agreement the registered owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds and the interest thereon are payable from Revenues (as that term is defined in the Bond Indenture) and are secured by a pledge and assignment of said Revenues and of amounts held in the funds and accounts established pursuant to the Bond Indenture (excluding amounts held in the Rebate Fund, as that term is defined in the Bond Indenture), subject only to the provisions of the Bond Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Bond Indenture. The Bonds are further secured by an assignment of the right, title and interest of the Issuer in the Loan Agreement (to the extent and as more particularly described in the Bond Indenture).

Interest on the Series 2003_Bonds shall accrue at a Daily Rate, a Weekly Rate, a Long-Term Rate, an Auction Rate or a Commercial Paper Rate (each a “Mode”), as specified by the Getty Trust, effective for the Interest Period applicable to the Mode selected by the Getty Trust from time to time.

Except for Bonds in the Auction Mode, the interest rate will be determined on each Rate Determination Date, which, (i) in the case of the Commercial Paper Mode, shall be the first day of an Interest Period; (ii) in the case of the Daily Mode, shall be each Business Day commencing with the first day the Series 2003_Bonds become subject to the Daily Mode; (iii) in the case of the initial conversion of the Series 2003_Bonds to the Weekly Mode, shall be no later than the Business Day prior to the Mode Change Date, and thereafter, shall be each Wednesday or, if Wednesday is not a Business Day, the next succeeding day or, if such day is not a Business Day, then the Business Day immediately preceding such Wednesday and (iv) in
the case of a Long-Term Mode, shall be a date determined by ____________, as remarketing agent with respect to the Series 2003_ Bonds (together with any successor as provided in the Bond Indenture, the “Remarketing Agent”) which shall be at least one Business Day prior to the Mode Change Date. The interest rate for a particular Mode will remain in effect for the applicable Interest Period, which period: (1) with respect to each Series 2003_ Bond in a Daily Mode, commences on a Business Day and extends to, but does not include, the next succeeding Business Day; (2) with respect to each Series 2003_ Bond in the Weekly Mode, commences on the first day the Series 2003_ Bonds begin to accrue interest in the Weekly Mode and ends on the next succeeding Wednesday, and thereafter commences on each Thursday and ends on Wednesday of the following week and (3) with respect to each Series 2003_ Bond in a Long-Term Mode or Commercial Paper Mode, shall be established by the Remarketing Agent pursuant to the Bond Indenture.

While this Bond bears interest at the Auction Rate, the interest rate on this Bond shall generally be determined in Auctions held as provided in the Bond Indenture. Reference is made to the Bond Indenture, which is incorporated herein by reference, for the terms and conditions for participating in Auctions and the procedures for such Auctions and for determining an Auction Rate.

The Mode specified by the Getty Trust will remain in effect until changed by the Getty Trust by notice to the Issuer, the Bond Trustee, the Tender Agent, the Remarketing Agent (if any), the Auction Agent (if any), the Broker-Dealers (if any) and the Liquidity Facility Provider (if any) of its intention to change the Mode in accordance with the Bond Indenture. During a Commercial Paper Mode with respect to the Series 2003_ Bonds, on each Rate Determination Date, the Remarketing Agent shall select for each Series 2003_ Bond then subject to such adjustment the Commercial Paper Rate which would result in the Remarketing Agent being able to remarket such Series 2003_ Bond at par in the secondary market representing the lowest interest rate then available for the Commercial Paper Rate Period determined by the Remarketing Agent. If the Remarketing Agent has received notice from the Getty Trust that any Series 2003_ Bond is to be changed from the Commercial Paper Mode to any other Mode or is to be purchased in accordance with a mandatory purchase pursuant to the Bond Indenture, the Remarketing Agent shall select Interest Periods for such Series 2003_ Bond which do not extend beyond the Mandatory Purchase Date. During a Daily Mode or a Weekly Mode with respect to the Series 2003_ Bonds, interest on each Series 2003_ Bond shall accrue at the rate of interest per annum determined by the Remarketing Agent on and as of the Rate Determination Date as the minimum rate of interest which, in the opinion of the Remarketing Agent under then-existing market conditions, would result in the sale of the Series 2003_ Bonds on the Rate Determination Date at a price equal to the Purchase Price. At the option of the Getty Trust, all (but not less than all) of the Series 2003_ Bonds may be converted to bear interest at the Long-Term Rate for the Long-Term Rate Period specified by the Getty Trust for the Series 2003_ Bonds. The Long-Term Rate shall be the minimum interest rate which, in the sole judgment of the Remarketing Agent, will result in a sale of the Series 2003_ Bonds at a price equal to the Purchase Price on the Rate Determination Date, as more fully set forth in the Bond Indenture.

Interest on the Series 2003_ Bonds for the immediately preceding Interest Payment Period shall be payable on each Interest Payment Date for the Series 2003_ Bonds. “Interest Payment Date” means: (A)(1) with respect to Bonds in a Commercial Paper Mode, the
Purchase Date; (2) with respect to Bonds in a Daily Mode or a Weekly Mode, the first Business Day of each month; (3) with respect to Bonds in a Long-Term Mode, each April 1 and October 1; (B) with respect to Bonds in the Auction Mode, (i) for an Auction Period of 91 days or less, the Business Day immediately succeeding the last day of such Auction Period and (ii) for an Auction Period of more than 91 days, each 13th Wednesday after the first day of such Auction Period and the Business Day immediately succeeding the last day of such Auction Period (in each case it being understood that in those instances where the immediately preceding Auction Date falls on a day that is not a Business Day, the Interest Payment Date with respect to the succeeding Auction Period shall be one Business Day immediately succeeding the next Auction Date); and (C) the Mode Change Date for such Bond. In any case, the final Interest Payment Date for any Bond shall be the maturity date for such Bond. “Interest Payment Period” means the period commencing on the last Interest Payment Date to which interest has been paid in the applicable Mode (or, if no interest has been paid in such Mode, from the date of issuance of the Bonds, or the Mode Change Date, as the case may be) to, but not including, the Interest Payment Date on which interest is to be paid.

During any Daily Rate Mode or Weekly Rate Mode with respect to the Series 2003 Bonds, the registered owner of this Bond has the option to tender this Bond, by providing notice of tender (i) to Wells Fargo Bank, National Association, as tender agent (together with any successor, the “Tender Agent”), 707 Wilshire Boulevard, 17th Floor, Los Angeles, CA 90017, Attn: Corporate Trust Services (or at the address of any successor Tender Agent), and (ii) to the Remarketing Agent at __________________________ (or at the address in New York, New York, of any successor Remarketing Agent), at the time and in the manner specified in the Bond Indenture, for purchase at the principal amount hereof plus accrued interest hereon (i) at any time that this Bond bears interest at a Daily Rate, on any Business Day upon irrevocable telephonic notice to the Tender Agent and the Remarketing Agent no later than 10:00 a.m. New York City time on the Purchase Date specified by the Holder; and (ii) at any time that this Bond bears interest at a Weekly Rate, upon irrevocable telephonic or irrevocable written notice to the Tender Agent and the Remarketing Agent not later than 4:00 p.m. on any Business Day not less than seven days before the Purchase Date specified by the Holder in such notice.

This Bond is subject to mandatory tender on each Mode Change Date, on the second Business Day preceding each Expiration Date, on the second Business Day preceding the Termination Date and on each Substitute Liquidity Facility Date. Holders may not elect to retain their Bonds upon mandatory tender.

Interest payable on any Bond shall cease to accrue (i) on the maturity date of such Bond, provided that there has been irrevocably deposited with the Bond Trustee an amount sufficient to pay the principal amount thereof, plus interest thereon to such date; or (ii) on the date fixed for redemption thereof, provided that there has been irrevocably deposited with the Bond Trustee an amount sufficient to pay the redemption price thereof, plus interest thereon to such date. The owner of such Bond shall not be entitled to any other payment for such Bond, and such Bond shall no longer be outstanding and entitled to the benefits of the Bond Indenture, except for such payment from moneys held by the Bond Trustee for such purpose.

In no event shall the interest rate on this Bond exceed the lesser of the maximum interest rate permitted by law and 15% per annum.
This Bond has been executed by the Bond Trustee pursuant to the terms of the Bond Indenture. Copies of the Bond Indenture are on file at the Designated Office of the Bond Trustee in Los Angeles, California (or, in the case of a successor Bond Trustee, at the Designated Office of such successor Bond Trustee), and reference is made to the Bond Indenture and any and all amendments thereof for a description of the pledges and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledges and covenants, the rights and remedies of the registered Holders of the Bonds with respect thereto and the other terms and conditions upon which the Bonds are delivered thereunder.

Bonds in the Commercial Paper Mode are not subject to optional redemption prior to their respective Purchase Dates. Bonds in the Commercial Paper Mode shall be subject to redemption, at the option of the Getty Trust, in whole or in part on their respective Purchase Dates at a redemption price equal to the principal amount thereof.

Bonds in the Daily Mode or the Weekly Mode are subject to redemption, at the option of the Getty Trust, in whole on any Business Day or in part on any Interest Payment Date, at a redemption price equal to the principal amount of Bonds called for redemption.

Bonds in the Auction Mode are subject to redemption, at the option of the Getty Trust, in whole or in part on the Business Day immediately succeeding any Auction Date, at a redemption price equal to the principal amount of Bonds called for redemption.

Bonds in a Long-Term Mode are subject to redemption, at the option of the Getty Trust, in whole or in part, on the first day of the Long-Term Interest Rate Period applicable to such Bonds at a redemption price equal to the amount of Bonds called for redemption, plus accrued interest to the date fixed for redemption, without premium, and thereafter, during the periods specified below (or if the Bond Trustee receives a Favorable Opinion of Bond Counsel, during the periods and at the redemption prices specified in a notice of the Getty Trust to the Bond Trustee) in whole or in part on any date, at the redemption prices (expressed as a percentage of principal amount) hereinafter indicated or specified in the notice of the Getty Trust to the Bond Trustee, plus accrued interest, to the date fixed for redemption:

The Bonds are also subject to redemption prior to their stated maturity date, in part, from Mandatory Sinking Account Payments deposited in the Principal Fund pursuant to the Bond Indenture on any April 1 on or after April 1, 2012, at the principal amount hereof and interest accrued hereon to the date fixed for redemption, without premium.

Whenever provision is made in the Bond Indenture for the redemption of less than all of the Bonds or any given portion thereof, the Bond Trustee shall select the Bonds to be redeemed, in the authorized denominations specified in the Bond Indenture, by lot, in any
manner which the Bond Trustee in its sole discretion shall deem appropriate and fair; provided, however, that Liquidity Facility Bonds shall be redeemed prior to any other Bonds. The Bond Trustee shall promptly notify the Issuer and the Getty Trust in writing of any redemption of the Bonds or portions thereof so selected for redemption. If this Bond is called for redemption and payment is duly provided as specified in the Bond Indenture, interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

The Bonds are issuable as fully registered Bonds in denominations of (i) $100,000 and any integral multiple of $5,000 in excess thereof during the Initial Interest Period and with respect to Bonds in a Daily Mode, a Weekly Mode or a Commercial Paper Mode, (ii) $25,000 and any integral multiple thereof, with respect to Bonds in an Auction Mode, and (iii) $5,000 and any integral multiple thereof, with respect to Bonds in a Long-Term Mode.

This Bond is transferable by the registered Holder hereof, in person or by the registered Holder’s attorney duly authorized in writing, but only in the manner, subject to the limitations and upon payment of the charges provided in the Bond Indenture and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds, having the same maturity date and of authorized denominations, and for the same aggregate principal amount, will be issued to the transferee in exchange herefor. Subject to the limitations and conditions and upon payment of the charges, if any, provided in the Bond Indenture, Bonds may be exchanged for the same aggregate principal amount of fully registered Bonds of other authorized denominations having the same maturity date.

The Bond Trustee shall not be required to transfer or exchange any Bond except to the Liquidity Facility Provider during the fifteen days immediately preceding (1) the date on which notice of redemption of Bonds is given or (2) the date on which Bonds will be selected for redemption or (3) an Interest Payment Date.

The Issuer and the Bond Trustee may treat the registered owner hereof as the absolute owner hereof for all purposes, and the Issuer and the Bond Trustee shall not be affected by any notice to the contrary.

The Bond Indenture and the rights and obligations of the Issuer and of the registered owners of the Bonds and of the Bond Trustee may be modified or amended from time to time and at any time in the manner, to the extent, and upon the terms provided in the Bond Indenture; provided that no such modification or amendment shall (i) extend the fixed maturity of this Bond, or reduce the amount of principal hereof, or extend the time of payment or reduce the amount of any mandatory sinking fund account payment provided in the Bond Indenture for the payment of the Series 2003_Bonds, or reduce the rate of interest hereon, or extend the time of payment of interest hereon, or reduce any premium payable upon the redemption hereof, without the consent of the registered owner hereof, or (ii) reduce the percentage of Bonds the consent of
the registered owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Revenues and other assets pledged as security for the Bonds prior to or on a parity with the lien created by the Bond Indenture, or deprive the registered owners of the Bonds of the lien created by the Bond Indenture on such Revenues and other assets (except as expressly provided in the Bond Indenture), without the consent of the registered owners of all Bonds then outstanding, all as more fully set forth in the Bond Indenture.

It is hereby certified and recited that any and all conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the provisions of the Act and by the Constitution and laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Issuer, does not exceed any limit prescribed by the Act, or by the Constitution and laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Bond Indenture.

Notwithstanding the foregoing, Liquidity Facility Bonds (if any) shall bear interest at a rate per annum equal to the Liquidity Facility Rate and interest on Liquidity Facility Bonds (if any) shall be payable as set forth in the reimbursement agreement relating to such Liquidity Facility Bonds. Additionally, anything herein to the contrary notwithstanding, in no event shall any Bond (other than Liquidity Facility Bonds) bear interest at a rate per annum in excess of the Maximum Interest Rate.

SECTION 2.04. Initial Interest Rate; Change of Mode.

(A) The Bonds of each Series shall initially bear interest for the Initial Interest Period ending on May 12, 2004 at the initial interest rate per annum equal to 1.0%. Interest during the Initial Interest Period shall be paid from the Date of Issuance to, but not including, November 15, 2003, and from November 15, 2003 through May 12, 2004.

On the last day of the Initial Interest Period for the Bonds, the Bonds of such Series will be subject to mandatory purchase in accordance with Section 4.08 hereof. Unless otherwise directed in a Request of the Getty Trust delivered to the Issuer and the Trustee no later than fifteen (15) days prior to the last day of the Initial Interest Period for such Series Bonds, the Series 2003A and Series 2003B Bonds shall convert on such day to the Weekly Mode and the Series 2003C and Series 2003D Bonds shall convert on such day to the Daily Mode.
(B) Prior to the Fixed Rate Conversion Date, Bonds of any Series in any Mode may be changed to any other Mode at the times and in the manner hereinafter provided. All Bonds of the same Series must be in the same Mode. While the Bonds of any Series are in a Commercial Paper Mode, the Bonds of such Series may bear interest at different rates at the same time. While the Bonds of any Series are in a Daily Mode, a Weekly Mode, an Auction Mode or a Long-Term Mode, the Bonds of such Series shall bear interest at the same interest rate. Subsequent to such change in Mode and prior to the Fixed Rate Conversion Date, the Bonds may again be changed to a different Mode at the times and in the manner hereinafter provided.

SECTION 2.05. Determination of Commercial Paper Rates, Purchase Date and Interest Periods During Commercial Paper Mode.

(A) During each Commercial Paper Rate Period with respect to Bonds of any Series, each such Bond shall bear interest during each Commercial Paper Rate Period for such Bond at the Commercial Paper Rate for such Bond. The Commercial Paper Rate Period and the Commercial Paper Rate for each Bond need not be the same for any two Bonds, even if determined on the same date. Each of such Commercial Paper Rate Periods and Commercial Paper Rates for each Bond shall be determined by the Remarketing Agent no later than the first day of each Commercial Paper Rate Period. Each Commercial Paper Rate Period for each Bond shall be a period of not more than two hundred seventy (270) days, determined by the Remarketing Agent to be the period which, together with all other Commercial Paper Rates for all Bonds of the applicable Series then Outstanding, will result in the lowest overall interest expense on the Bonds of such Series under then-existing market conditions over the next succeeding twelve month period. Each Commercial Paper Rate Period shall end on either a day which immediately precedes a Business Day or on the day immediately preceding the maturity date. If, for any reason, a Commercial Paper Rate Period for any Bond cannot be so determined by the Remarketing Agent, or if the determination of such Commercial Paper Rate Period is held by a court of law to be invalid or unenforceable, then such Commercial Paper Rate Period shall be thirty (30) days, but if the last day so determined shall not be a day immediately preceding a Business Day, shall end on the first day immediately preceding the Business Day next succeeding such last day, or if such last day would be after the day immediately preceding the maturity date, shall end on the day immediately preceding the maturity date.

The Commercial Paper Rate for a Bond during a Commercial Paper Rate Period shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by such Bond, would enable the Remarketing Agent to sell such Bond on the effective date of such rate at a price (without regarding accrued interest) equal to the principal amount thereof.

If the Remarketing Agent has received notice from the Getty Trust that any Bond is to be changed from the Commercial Paper Mode to any other Mode or is to be purchased in accordance with a mandatory purchase pursuant to Section 4.09 hereof, the Remarketing Agent shall, with respect to such Bond, select Interest Periods which do not extend beyond the Mandatory Purchase Date.
(B) On or after 4:00 p.m. New York City time on the Business Day next preceding each Rate Determination Date for Bonds in the Commercial Paper Mode, any Holder of such Bonds may telephone the Remarketing Agent and receive notice of the anticipated next Interest Period(s) and the anticipated Commercial Paper Rate(s) for such Interest Period(s).

(C) By 12:30 p.m. New York City time on each Rate Determination Date, the Remarketing Agent, with respect to each Bond in the Commercial Paper Mode which is subject to adjustment on such date, shall determine the Commercial Paper Rate(s) for the Interest Period(s) then selected for such Bond and the Purchase Date and shall give notice by Electronic Means to the Tender Agent of the new Holders of the Interest Period, the Purchase Date(s) and the Commercial Paper Rate(s).

(D) By 1:00 p.m. New York City time on each Rate Determination Date, the Remarketing Agent shall apply for and obtain CUSIP numbers for each Bond in the Commercial Paper Mode (which the Tender Agent will promptly assign pursuant to Section 4.14(A)(4)) for which a Commercial Paper Rate, a Purchase Date and Interest Period have been determined on such date and notify the Remarketing Agent of such assignment by Electronic Means.

(E) By acceptance of any Bond, the Holder thereof shall be deemed to have agreed, during each Interest Period, to the Commercial Paper Rate (including the Alternate Rate, if applicable), Interest Period and Purchase Date then applicable thereto and to have further agreed to tender such Bond to the Tender Agent for purchase on the Purchase Date at the Purchase Price.

SECTION 2.06. Determination of Interest Rates During a Daily Mode or a Weekly Mode.

(A) Method of Determining Interest Rates. Interest on Bonds of any Series in a Daily Mode or a Weekly Mode shall accrue at the rate of interest per annum determined by the Remarketing Agent on and as of the Rate Determination Date as the minimum rate of interest which, in the opinion of the Remarketing Agent as of the Rate Determination Date under then-existing market conditions, would result in the sale of the Bonds on the Rate Determination Date at a price equal to the Purchase Price.

(B) Determination Time for Daily Rate. During the Daily Mode, the Remarketing Agent shall establish the Daily Rate by 10:30 a.m. New York City time on each Business Day. The Daily Rate for any day during the Daily Mode which is not a Business Day shall be the Daily Rate established on the immediately preceding Business Day. The Remarketing Agent shall make the Daily Rate available by telephone to any Holder or the Issuer, the Bond Trustee, the Tender Agent and the Liquidity Facility Provider (if any). On the last Business Day of each month, the Remarketing Agent shall give notice to the Bond Trustee of the Daily Rates that were in effect for each day of such month by Electronic Means.

(C) Determination Time for Weekly Rate. During the Weekly Mode, the Remarketing Agent shall establish the Weekly Rate by 4:00 p.m. New York City time on each Rate Determination Date. The Weekly Rate shall be in effect (1) initially, from and including the first day the Bonds become subject to the Weekly Mode to and including the following
Wednesday and (2) thereafter, from and including each Thursday to and including the following Wednesday. The Remarketing Agent shall make the Weekly Rate available (i) after 4:00 p.m. New York City time on the Rate Determination Date by telephone to any Holder or the Tender Agent, the Bond Trustee or the Liquidity Facility Provider and (ii) by Electronic Means to the Bond Trustee not later than 4:00 p.m. New York City time on the Rate Determination Date. The Tender Agent shall also give notice of such interest rates to the Bond Trustee by Electronic Means not later than 4:00 p.m. New York City time on the Rate Determination Date.

SECTION 2.07. Long-Term Interest Rate Period.

(A) The Bonds of any Series in a Long-Term Interest Rate Period shall bear interest at the Long-Term Interest Rate. The Long-Term Interest Rate shall be determined by the Remarketing Agent on a Business Day no later than the Long-Term Conversion Date. Subject to the provisions of Section 2.07(C), the Long-Term Interest Rate shall be the rate of interest per annum determined by the Remarketing Agent to be the minimum interest rate which, if borne by the Bonds would enable the Remarketing Agent to sell the Bonds of that Series on such date at a price (without regarding accrued interest) equal to the principal amount thereof. If, for any reason, the Long-Term Interest Rate is not so determined for the Long-Term Interest Rate Period by the Remarketing Agent on or prior to the first day of such Long-Term Interest Rate Period, then the Bonds of the applicable Series shall bear interest at the Weekly Interest Rate as provided in Section 2.04, and shall continue to bear interest at a Weekly Interest Rate determined in accordance with Section 2.04 until such time as the interest rate on the Bonds of that Series shall have been adjusted to a Daily Interest Rate, Bond Interest Term Rates, a Long-Term Interest Rate or an Auction Rate as provided herein.

(B) If, by the twenty-ninth (29th) day prior to the last day of any Long-Term Interest Rate Period for a Series of Bonds which ends on a day other than the day immediately preceding the Maturity Date of such Bonds, the Bond Trustee shall not have received notice of the Getty Trust’s election that, during the next succeeding Interest Rate Period, the Bonds of that Series shall bear interest at a Daily Interest Rate, a Weekly Interest Rate, a Long-Term Interest Rate or an Auction Rate or at Bond Interest Term Rates, the next succeeding Interest Rate Period for the Bonds of that Series shall be a Weekly Interest Rate Period until such time as the interest rate on the Bonds of that Series shall be adjusted to a Daily Interest Rate, a Long-Term Interest Rate, Bond Interest Term Rates or an Auction Rate as provided in this Article II.

(C) Sale at Premium or Discount. Notwithstanding the provisions of Section 2.07(A), the Long-Term Interest Rate for a Series of Bonds shall be the rate of interest per annum determined by the Remarketing Agent to be the interest rate which, if borne by the Bonds of that Series would enable the Remarketing Agent to sell the Bonds of that Series at a price (without regarding accrued interest) which will result in the lowest net interest cost for the Bonds of that Series, after taking into account any premium or discount at which such Bonds are sold by the Remarketing Agent, provided that:

(1) The Remarketing Agent certifies to the Bond Trustee, the Tender Agent and the Getty Trust that the sale of the Bonds of that Series at the interest rate and premium or discount specified by the Remarketing Agent is expected to result in the lowest net interest cost for the Bonds of that Series on the Long-Term Conversion Date;
(2) The Getty Trust consents in writing to the sale of the Bonds of that Series by the Remarketing Agent at such premium or discount;

(3) In the case of Bonds to be sold at a discount, either (a) a Liquidity Facility is in effect and provides for the purchase of the Bonds at such discount or (b) the Getty Trust agrees to transfer to the Tender Agent on the Long-Term Conversion Date, in immediately available funds, for deposit in the Getty Trust Purchase Account, an amount equal to such discount;

(4) In the case of Bonds to be sold at a premium, the Remarketing Agent shall transfer to the Bond Trustee for deposit in the Bond Fund an amount equal to such premium;

(5) On or before the date of the determination of the Long-Term Interest Rate, the Getty Trust delivers to the Bond Trustee and the Remarketing Agent a letter of Bond Counsel to the effect that Bond Counsel expects to be able to give a Favorable Opinion of Bond Counsel on the Long-Term Conversion Date; and

(6) On or before the Long-Term Conversion Date, a Favorable Opinion of Bond Counsel shall have been received by the Bond Trustee and the Issuer and confirmed to the Getty Trust and the Remarketing Agent.

SECTION 2.08. Alternate Rate for Interest Calculation. If (a) the Remarketing Agent fails or is unable to determine the interest rate(s) or Interest Periods with respect to Bonds of any Series, or (b) the method of determining the interest rate(s) or Interest Periods with respect to Bonds of any Series shall be held to be unenforceable by a court of law of competent jurisdiction, the Bonds of such Series shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered an Opinion of Counsel to the effect that the method of determining such rate is enforceable, represent interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect. If either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for the Commercial Paper Mode, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next succeeding Business Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day.

SECTION 2.09. Changes in Mode. Notice of the proposed change in Mode (the form of which (including the items set forth in Section 2.09(D)) shall be provided by the Getty Trust to the Bond Trustee and the Tender Agent no later than fourteen (14) days prior to the proposed Mode Change Date) shall be given to the Holders of the Bonds of the applicable Series pursuant to Section 4.08 hereof.

(B) Determination of Interest Rates. The New Mode shall commence on the Mode Change Date and the interest rate(s) with respect to the Bonds of such Series (together, in the case of a change to the Commercial Paper Mode, with the Interest Period(s)) shall be determined in the manner provided in Sections 2.04, 2.05, 2.06, 2.07 and 2.18 hereof, as applicable.

(C) Conditions Precedent.

(F) Failure to Satisfy Conditions Precedent to Mode Change. If any of the conditions precedent have not been satisfied on or prior to the Mode Change Date, the New Mode shall not become effective and all Bonds of such Series shall (1) if previously in a Daily Mode, Weekly Mode, Commercial Paper Mode or Long-Term Mode, bear interest at the Weekly Mode, and (2) if previously in an Auction Mode, continue in the Auction Mode with a Standard Auction Period at the Maximum Interest Rate until the next Auction Date can occur.

Upon any change in Mode, a new form of Bonds may be prepared which contains the terms of the Bonds applicable in the new Mode.

SECTION 2.11. Execution of Bonds. The Bonds shall be executed in the name and on behalf of the Issuer with the manual or facsimile signature of its Executive Director or Chair. The Bonds shall then be delivered to the Bond Trustee for authentication by it. In case any officer who shall have signed any of the Bonds shall cease to be such officer of the Issuer before the Bonds so signed shall have been authenticated or delivered by the Bond Trustee or issued by the Issuer, such Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issue, shall be as binding upon the Issuer as though those who signed the same had continued to be such officer of the Issuer, and also any Bond may be signed on behalf of the Issuer by such person as at the actual date of execution of such Bond shall be the proper officer of the Issuer although at the nominal date of such Bond any such person shall not have been such officer of the Issuer.

Only such of the Bonds as shall bear thereon a certificate of authentication substantially in the form hereinbefore recited, manually executed by an authorized signatory of the Bond Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Bond Indenture, and such certificate of the Bond Trustee shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Bond Indenture.

SECTION 2.12. Transfer of Bonds. Any Bond may, in accordance with its terms and subject to the limitations provided in Section 2.17 be transferred, upon the books required to be kept pursuant to the provisions of Section 2.14 by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Bond Trustee.

Whenever any Bond or Bonds shall be surrendered for transfer, the Issuer shall execute and the Bond Trustee shall authenticate and deliver a new Bond or Bonds, of the same Series and maturity and for a like aggregate principal amount in authorized denominations. The Bond Trustee may require the Bondholder requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer, and the Bond Trustee may also require the Bondholder requesting such transfer to pay a reasonable sum to cover any expenses incurred by the Issuer in connection with such transfer. The Bond Trustee shall not be
required to transfer (i) any Bond during the fifteen (15) days next preceding the selection of Bonds for redemption, or (ii) any Bond called for redemption.

SECTION 2.13. Exchange of Bonds. Bonds may be exchanged at the Designated Office of the Bond Trustee for a like aggregate principal amount of Bonds of other authorized denominations of the same Series and maturity. The Bond Trustee may require the Bondholder requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange, and the Bond Trustee may also require the Bondholder requesting such exchange to pay a reasonable sum to cover any expenses incurred by the Issuer in connection with such exchange. The Bond Trustee shall not be required to exchange (i) any Bond during the fifteen (15) days next preceding the selection of Bonds for redemption, or (ii) any Bond called for redemption.

SECTION 2.14. Bond Register. The Bond Trustee will keep or cause to be kept sufficient books for the registration and transfer of the Bonds, which shall at all times (during regular business hours at the location where such books are kept) be open to inspection by any Bondholder or his agent duly authorized in writing, the Issuer and the Getty Trust; and, upon presentation for such purpose, the Bond Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such books, Bonds as hereinbefore provided.

SECTION 2.15. Temporary Bonds. The Bonds may be issued in temporary form exchangeable for definitive Bonds when ready for delivery. Any temporary Bond may be printed, lithographed or typewritten, shall be of such denomination as may be determined by the Issuer, shall be in fully registered form without coupons and may contain such reference to any of the provisions of this Bond Indenture as may be appropriate. A temporary Bond may be in the form of a single fully registered Bond payable in installments, each on the date, in the amount and at the rate of interest established for the Bonds maturing on such date. Every temporary Bond shall be executed by the Issuer and be authenticated by the Bond Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Issuer issues temporary Bonds it will issue definitive Bonds as promptly thereafter as practicable, and thereupon the temporary Bonds may be surrendered, for cancellation, in exchange therefor at the Designated Office of the Bond Trustee, and the Bond Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations of the same Series and maturity or maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Bond Indenture as definitive Bonds authenticated and delivered hereunder.

SECTION 2.16. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Issuer, at the expense of the Holder of said Bond, shall execute, and the Bond Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Bond Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Bond Trustee shall be cancelled by it and delivered to, or upon the order of, the Issuer. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Bond Trustee and, if such evidence be satisfactory to it and indemnity satisfactory to the Bond Trustee and the Issuer shall be given, the Issuer, at the expense of the Holder, shall execute, and the Bond Trustee shall
thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond, the Bond Trustee may pay the same without surrender thereof). The Bond Trustee may require payment of a sum not exceeding the actual cost of preparing each new Bond issued under this Section and of the expenses which may be incurred by the Issuer and the Bond Trustee in complying with this Section. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Issuer whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Bond Indenture with all other Bonds secured by this Bond Indenture.

SECTION 2.17. Use of Securities Depository. Notwithstanding any provision of this Bond Indenture to the contrary (except Section 2.18(G)):

(A) The Bonds shall be initially issued as provided in Section 2.02. Registered ownership of the Bonds, or any portion thereof, may not thereafter be transferred except:

(1) To any successor of the Securities Depository or its nominee, or to any substitute depository designated pursuant to clause (ii) of this subsection (a) ("substitute depository"); provided that any successor of the Securities Depository or substitute depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) To any substitute depository designated by the Issuer and not objected to by the Bond Trustee, upon (1) the resignation of the Securities Depository or its successor (or any substitute depository or its successor) from its functions as depository or (2) a determination by the Issuer that the Securities Depository or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) To any person as provided below, upon (1) the resignation of the Securities Depository or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the Bond Trustee can be obtained or (2) a determination by the Issuer that it is in the best interests of the Issuer to remove the Securities Depository or its successor (or any substitute depository or its successor) from its functions as depository.

(B) In the case of any transfer pursuant to clause (1) or clause (2) of subsection (A), upon receipt of the Outstanding Bonds by the Bond Trustee, together with a Certificate of the Issuer to the Bond Trustee, a single new Bond shall be executed and delivered in the aggregate principal amount of the Bonds then Outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such Certificate of the Issuer. In the case of any transfer pursuant to clause (3) of subsection (A), upon receipt of the Outstanding Bonds by the Bond Trustee together with a Certificate of the Issuer to the Bond Trustee, new Bonds shall be executed and delivered in such denominations
and registered in the names of such persons as are requested in such a Certificate of the Issuer, subject to the limitations of Section 2.02, provided the Bond Trustee shall not be required to deliver such new Bonds within a period less than sixty (60) days from the date of receipt of such a Certificate of the Issuer.

(C) In the case of partial redemption or an advance refunding of a Series of the Bonds evidencing all or a portion of the principal amount Outstanding, the Securities Depository shall make an appropriate notation on the Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Bond Trustee.

(D) The Issuer and the Bond Trustee shall be entitled to treat the person in whose name any Bond is registered as the Bondholder thereof for all purposes of the Bond Indenture and any applicable laws, notwithstanding any notice to the contrary received by the Issuer or the Bond Trustee; and the Issuer and the Bond Trustee shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the Issuer nor the Bond Trustee will have any responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party including the Securities Depository or its successor (or substitute depository or its successor), except for the Holder of any Bond.

(E) So long as the Outstanding Bonds are registered in the name of Cede & Co. or its registered assign, the Issuer and the Bond Trustee shall cooperate with Cede & Co., as sole registered Bondholder, and its registered assigns in effecting payment of the principal of and redemption premium, if any, and interest on the Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due, all in accordance with the letter of representations of the Issuer to the Securities Depository or as otherwise agreed by the Bond Trustee and the Securities Depository.

SECTION 2.18. Auction Rate Periods; Auction Rate; Auction Period.

(A) General.

(1) During any Auction Rate Period, the Bonds of any Series shall bear interest at an Auction Rate determined as set forth in this Section 2.18. The Auction Rate for any initial Auction Period immediately after any change in Mode to an Auction Mode Rate Period shall be the rate of interest per annum determined and certified to the Bond Trustee (with a copy to the Getty Trust) by the Broker-Dealer on a date not later than the effective date of such change in Mode as the minimum rate of interest which, in the opinion of the Broker-Dealer, would be necessary as of the date of such change in Mode to market such Bonds under prevailing market conditions in a secondary market transaction at a price equal to the principal amount thereof; provided that such interest rate shall not exceed the Maximum Interest Rate. The Auction Rate shall be the rate of interest per annum that results from implementation of the Auction Procedures; provided that:

(i) If a notice of a proposed adjustment in the percentage used to determine the All-Hold Rate shall have been given by the
Market Agent in accordance with Section 2.18(D)(2) with respect to a Series of Bonds and because of a failure to satisfy either of the conditions set forth in clause (a) or (b) of Section 2.18(D)(3) such adjustment shall not have taken effect, then an Auction with respect to such Series shall not be held on the Auction Date immediately preceding the next succeeding Interest Payment Date and the Auction Rate with respect to such Series for the next succeeding Interest Period shall equal the Maximum Interest Rate on such Auction Date; and

(ii) in the event the Auction Agent fails to calculate or, for any reason, fails to timely provide the Auction Rate for any Series of Bonds for any Auction Period (except as contemplated otherwise herein pursuant to (i) above or (x) and (y) below), the new Auction Period for any Series of Bonds shall be the same as the preceding Auction Period and the Auction Rate for the new Auction Period for such Series shall be the same as the Auction Rate for such Series for the preceding Auction Period.

Notwithstanding the foregoing:

(x) if the ownership of a Series of Bonds is no longer maintained in Book-Entry Form by a Securities Depository, the Auction Period shall be converted to or remain in a seven-day period and the Auction Rate with respect to such Series for any Interest Period commencing after the delivery of certificates representing such Series of Bonds pursuant to Section 2.17 shall equal the Maximum Interest Rate; or

(y) if an Auction Payment Default shall have occurred with respect to a Series of Bonds, the Auction Rate for the Interest Period commencing on or immediately after such Auction Payment Default and for each Interest Period thereafter, to and including the Interest Period, if any, during which, or commencing less than two Business Days after, such Auction Payment Default is cured in accordance with this Bond Indenture, shall equal the Maximum Interest Rate on the first day of each such Interest Period, provided that if an Auction occurred on the Business Day immediately preceding any such Interest Period, the Auction Rate for such Series for such Interest Period shall be the Maximum Interest Rate.

(2) Auction Periods may be changed pursuant to Section 2.18(B) at any time unless an Event of Default has occurred and has not been cured or waived.

(3) The Auction Agent shall calculate the All-Hold Rate on each Auction Date. The determination by the Auction Agent of the All-Hold Rate shall (in the absence of manifest error) be final and binding upon all Beneficial Owners and all other parties. The Auction Agent shall promptly advise the Bond Trustee of the All-Hold Rate.

(4) Adjustment in Percentages.

(a) The Market Agent shall adjust the percentage used in determining the All-Hold Rate, if any such adjustment is necessary, in the judgment of the Market Agent, to reflect any Change of Tax Law or change of market convention such that a Bond bearing interest at the All-Hold Rate shall
have substantially the same market value after such Change of Tax Law or change of market convention as before such Change of Tax Law or change of market convention, or if, in the Market Agent's discretion, market conditions warrant such change. In making any such adjustment, the Market Agent shall take into account the following factors, as in existence both before and after such Change of Tax Law or a change of market convention (i) short-term taxable and tax-exempt market rates and indices of such short-term rates; (ii) the market supply and demand for short-term tax-exempt securities; (iii) yield curves for short-term and long-term tax-exempt securities or obligations having a credit rating that is comparable to the Bonds; (iv) general economic conditions; and (v) economic and financial factors present in the securities industry that may affect, or that may be relevant to, the Bonds.

(b) The Market Agent shall communicate its determination to adjust the percentage used in determining the All-Hold Rate pursuant to subsection (1) above by means of a Notice of Proposed Percentage Change delivered in writing at least ten (10) days prior to the Auction Date on which the Market Agent desires to effect the change to the Issuer, the Bond Trustee, the Getty Trust, the Broker-Dealer and the Auction Agent. Such notice shall be effective only if it is accompanied by the form of a Favorable Opinion of Bond Counsel.

(c) An adjustment in the percentage used to determine the All-Hold Rate shall take effect on an Auction Date only if:

(i) The Bond Trustee, the Issuer, the Getty Trust, the Broker-Dealer and the Auction Agent receive, by 11:00 a.m., New York City time, on the Business Day immediately preceding such Auction Date, a Notice of Percentage Change from the Market Agent by telecopy or similar means, (i) authorizing the adjustment of the percentage used to determine the All-Hold Rate, which shall be specified in such authorization, and (ii) confirming that Bond Counsel expects to be able to deliver a Favorable Opinion of Bond Counsel on or prior to such Auction Date; and

(ii) The Bond Trustee, the Issuer, the Getty Trust, the Broker-Dealer and the Auction Agent receive by 9:30 a.m., New York City time, on such Auction Date, a Favorable Opinion of Bond Counsel.

If any of the conditions referred to in (a) or (b) above are not met, the existing percentage used in determining the All-Hold Rate shall remain in effect and the rate of interest for the next succeeding Interest Period shall equal the Maximum Interest Rate on the Auction Date for such succeeding Interest Period.

(5) Market Agent.

(a) The Market Agent shall serve as such under the terms and provisions hereof and of the applicable Market Agent Agreement. The Market
Agent shall be a member of the National Association of Securities Dealers, Inc. having capitalization of at least $25,000,000, and be authorized by law to perform all the duties imposed upon it by this Bond Indenture and the Market Agent Agreement. The Market Agent for a Series may be removed by the Bond Trustee upon and pursuant to the written direction of (i) the Issuer, (ii) the Getty Trust, or (iii) the Beneficial Owners of 66-2/3% of the aggregate principal amount of the Bonds of that Series then Outstanding, by an instrument signed by the Bond Trustee and filed with the Market Agent, the Auction Agent, the Issuer and the Getty Trust; provided that such removal shall not take effect until the appointment by the Beneficial Owners of that Series or the Bond Trustee of a substitute Market Agent. The Market Agent may resign as Market Agent for a Series upon 30 days’ written notice delivered to the Bond Trustee, provided that such resignation shall not take effect until the appointment by the Beneficial Owners of that Series or the Bond Trustee of a substitute Market Agent. If the Bond Trustee is unable to appoint a substitute Market Agent within thirty (30) days following receipt of such written notice of resignation, the Market Agent may petition the appropriate court having jurisdiction to appoint a substitute Market Agent.

(b) The Market Agent may be removed at any time, at the written request of the Getty Trust, for any breach of its obligations hereunder or under the Market Agent Agreement.

(B) Auction Rate Period: Change of Auction Period, Auction Dates and Interest Payment Dates.

(1) During an Auction Rate Period, the Getty Trust may change (a) the length of a single Auction Period for any Series of Bonds, (b) the Interest Payment Date for such Series with a changed Auction Period, and (c) the Auction Date by means of a written notice delivered at least 20 days but not more than 60 days prior to the Auction Date for such Auction Period to the Bond Trustee, the Auction Agent, the Issuer and the Securities Depository. Any Auction Period or Standard Auction Period established pursuant to this Section 2.18(B) may not exceed 364 days in duration. The length of an Auction Period may not be changed pursuant to this Section 2.18(B) unless Sufficient Clearing Bids existed at both the Auction immediately preceding the date the notice of such change was given and the Auction immediately preceding such changed Auction Period.

(2) The change in length of an Auction Period and any change in Auction Date or Interest Payment Date shall take effect only if (a) the Bond Trustee and the Auction Agent receive, by 11:00 a.m. (New York City time) on the Business Day immediately preceding the Auction Date for such Auction Period, a Certificate from the Getty Trust, by telecopy or similar means, authorizing the change in the Auction Period, the Standard Auction Period, Auction Date or Interest Payment Date which shall be specified in such certificate, (b) the Bond Trustee shall not have delivered to the Auction Agent by 12:00 noon (New York City time) on the Auction Date for such Auction Period notice that an Event of Default has occurred and is continuing, and (c) Sufficient Clearing Bids exist at the Auction on the Auction Date for such Auction Period. If the condition
referred to in (a) above is not met, the Auction Rate for the next succeeding Auction Period shall be determined pursuant to the Auction Procedures and the next succeeding Auction Period shall be the same as the prior Auction Period. If any of the conditions referred to in (b) or (c) above is not met, the Auction Rate for the next succeeding Auction Period shall equal the Maximum Interest Rate as determined as of the Auction Date for such Auction Period. The Auction Rate for succeeding Auction Periods shall be determined in accordance with the provisions of this Section 2.18, and such Auction Periods shall have the same length as the Auction Period in effect prior to such attempted change in length until subsequently changed in accordance with the provisions of this Section 2.18(B).

(C) Auction Rate Period: Orders by Existing Holders and Potential Holders.

(1) Subject to the provisions of Section 2.18(A), Auctions shall be conducted on each Auction Date in the manner described in this Section 2.18(C) and in Sections 2.18(D), (E) and (F) for each Series of Bonds in an Auction Mode. Prior to the Submission Deadline on each Auction Date during an Auction Rate Period:

(a) each Existing Holder may submit to the Broker-Dealer information as to:

(i) the principal amount of Bonds of such Series, if any, held by such Existing Holder which such Existing Holder desires to continue to hold without regard to the Auction Rate for the next succeeding Auction Period;

(ii) the principal amount of Bonds of such Series, if any, held by such Existing Holder which such Existing Holder offers to sell if the Auction Rate for the next succeeding Auction Period shall be less than the rate per annum specified by such Existing Holder; and

(iii) the principal amount of Bonds of such Series, if any, held by such Existing Holder which such Existing Holder offers to sell without regard to the Auction Rate for the next succeeding Auction Period;

(b) one or more Broker- Dealers may contact Potential Holders to determine the principal amount of Bonds which each such Potential Holder offers to purchase if the Auction Rate for the next succeeding Auction Period shall not be less than the interest rate per annum specified by such Potential Holder.

For the purposes hereof, the communication to a Broker-Dealer of information referred to in clause (a)(i), (a)(ii) or (a)(iii) or clause (b) above is hereinafter referred to as an “Order” and each Existing Holder and Potential Holder placing an Order is hereinafter referred to as a “Bidder;” an Order containing the information referred to in clause (a)(i) above is hereinafter referred to as a “Hold Order;” an Order containing the information referred to in clause (a)(ii) or clause (b) above is hereinafter referred to as a “Bid;” and an Order containing the information referred to in clause (a)(iii) above is hereinafter referred to as a “Sell Order.”
(2)  (a) Subject to the provisions of Section 2.18(D), a Bid by an Existing Holder shall constitute an irrevocable offer to sell:

(i) the principal amount of Bonds of such Series specified in such Bid if the Auction Rate determined pursuant to the Auction Procedures on such Auction Date shall be less than the interest rate per annum specified therein; or

(ii) such principal amount or a lesser principal amount of Bonds of such Series to be determined as set forth in subsection (1)(d) of Section 2.18(F) if the Auction Rate determined pursuant to the Auction Procedures on such Auction Date shall be equal to the interest rate per annum specified therein; or

(iii) such principal amount if the interest rate per annum specified therein shall be higher than the Maximum Interest Rate or such principal amount or a lesser principal amount of Bonds of such Series to be determined as set forth in subsection (2)(c) of Section 2.18(F) if such specified rate shall be higher than the Maximum Interest Rate and Sufficient Clearing Bids do not exist.

(b) Subject to the provisions of Section 2.18(D), a Sell Order by an Existing Holder shall constitute an irrevocable offer to sell:

(i) the principal amount of Bonds of such Series specified in such Sell Order; or

(ii) such principal amount or a lesser principal amount of Bonds of such Series as set forth in subsection (2)(c) of Section 2.18(F) if Sufficient Clearing Bids do not exist.

(c) Subject to the provisions of Section 2.18(D), a Bid by a Potential Holder shall constitute an irrevocable offer to purchase:

(i) the principal amount of Bonds of such Series specified in such Bid if the Auction Rate determined on such Auction Date shall be higher than the rate specified therein; or

(ii) such principal amount or a lesser principal amount of Bonds of such Series as set forth in subsection (1)(e) of Section 2.18(F) if the Auction Rate determined on such Auction Date shall be equal to such specified rate.

(D) **Auction Rate Period: Submission of Orders by Broker-Dealers to Auction Agent.**

(1) During an Auction Rate Period each Broker-Dealer shall submit in writing to the Auction Agent prior to the Submission Deadline on each Auction Date
during the Auction Rate Period, all Orders obtained by such Broker-Dealer and shall specify with respect to each such Order:

(a) the name of the Bidder placing such Order;

(b) the aggregate principal amount of Bonds of each Series that are subject to such Order;

(c) to the extent that such Bidder is an Existing Holder:

(i) the principal amount of Bonds of each Series, if any, subject to any Hold Order placed by such Existing Holder;

(ii) the principal amount of Bonds of each Series, if any, subject to any Bid placed by such Existing Holder and the rate specified in such Bid; and

(iii) the principal amount of Bonds of each Series, if any, subject to any Sell Order placed by such Existing Holder; and

(d) to the extent such Bidder is a Potential Holder, the rate specified in such Potential Holder's Bid.

(2) If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth (.001) of 1%.

(3) If an Order or Orders covering all Bonds held by an Existing Holder is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Holder covering the principal amount of Bonds held by such Existing Holder and not subject to Orders submitted to the Auction Agent. The Issuer, the Getty Trust, the Bond Trustee and the Auction Agent shall not be responsible for any failure of a Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Holder or Potential Holder.

(4) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the principal amount of Bonds of any Series held by such Existing Holder, such Orders shall be considered valid as follows and in the following order of priority:

(a) all Hold Orders shall be considered valid, but only up to and including the principal amount of Bonds held by such Existing Holder, and, if the aggregate principal amount of Bonds subject to such Hold Orders exceeds the aggregate principal amount of Bonds held by such Existing Holder, the aggregate principal amount of Bonds subject to each such Hold Order shall be reduced pro rata to cover the aggregate principal amount of Bonds held by such Existing Holder;
(b) (i) any Bid shall be considered valid up to and including the excess of the principal amount of Bonds held by such Existing Holder over the aggregate principal amount of Bonds subject to any Hold Orders referred to in paragraph (a) above;

(ii) subject to clause (i) above, if more than one Bid with the same rate is submitted on behalf of such Existing Holder and the aggregate principal amount of Bonds subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the principal amount of Bonds subject to each Bid with the same rate shall be reduced pro rata to cover the principal amount of Bonds equal to such excess;

(iii) subject to clauses (i) and (ii) above, if more than one Bid with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid in the ascending order of their respective rates until the highest rate is reached at which such excess exists and then at such rate up to and including the amount of such excess; and

(iv) in any such event, the aggregate principal amount of Bonds, if any, subject to Bids not valid under this paragraph (b) shall be treated as the subject of a Bid by a Potential Holder at the rate therein specified; and

(c) all Sell Orders shall be considered valid up to and including the excess of the principal amount of Bonds held by such Existing Holder over the aggregate principal amount of Bonds subject to valid Hold Orders referred to in paragraph (a) and valid Bids referred to in paragraph (b) above.

(5) If more than one Bid for Bonds is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid for Bonds with the rate and principal amount therein specified.

(6) Any Bid or Sell Order submitted by an Existing Holder covering an aggregate principal amount of Bonds not equal to $25,000 or an integral multiple thereof shall be rejected and shall be deemed a Hold Order. Any Bid submitted by a Potential Holder covering an aggregate principal amount of Bonds not equal to $25,000 or an integral multiple thereof shall be rejected.

(7) Any Order submitted in an Auction by a Broker-Dealer to the Auction Agent prior to the Submission Deadline on any Auction Date shall be irrevocable.

(E) **Auction Rate Period: Determination of Sufficient Clearing Bids, Winning Bid Rate and Auction Rate.**

(1) Not earlier than the Submission Deadline on each Auction Date during the Auction Rate Period, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted
or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order") for a Series of the Bonds and shall determine:

(a) the excess of the total principal amount of Bonds over the aggregate principal amount of Bonds subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available Auction Bonds"); and

(b) from the Submitted Orders whether the aggregate principal amount of Bonds subject to Submitted Bids by Potential Holders specifying one or more rates equal to or lower than the Maximum Interest Rate exceeds or is equal to the sum of:

(i) the aggregate principal amount of Bonds subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Interest Rate; and

(ii) the aggregate principal amount of Bonds subject to Submitted Sell Orders,

(in the event of such excess or such equality exists (other than because the sum of the principal amounts of Bonds in clauses (i) and (ii) above is zero because all of the Bonds are subject to Submitted Hold Orders), such Submitted Bids in clause (b) above are hereinafter reflected to collectively as "Sufficient Clearing Bids"); and

(c) if Sufficient Clearing Bids exist, the lowest rate specified in the Submitted Bids (the "Winning Bid Rate") which if:

(i) a) each Submitted Bid from Existing Holders specifying such lowest rate and b) all other Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the principal amount of Bonds subject to such Submitted Bids; and

(ii) a) each Submitted Bid from Potential Holders specifying such lowest rate and b) all other Submitted Bids from Potential Holders specifying lower rates were accepted,

would result in such Existing Holders described in clause (i) above continuing to hold an aggregate principal amount of Bonds which, when added to the aggregate principal amount of Bonds to be purchased by such Potential Holders described in clause (ii) above, would be not less than the Available Auction Bonds.

(2) Promptly after the Auction Agent has made the determinations pursuant to subsection (1) of this Section 2.18(E), the Auction Agent by telecopy, confirmed in writing, shall advise the Getty Trust and the Bond Trustee of the Auction Rate for the next succeeding Auction Period as follows:
(a) if Sufficient Clearing Bids exist, that the Auction Rate for the next succeeding Auction Period therefor shall be equal to the Winning Bid Rate so determined;

(b) If Sufficient Clearing Bids do not exist (other than because all of the Bonds are the subject of Submitted Hold Orders), that the Auction Rate for the next succeeding Auction Period therefor shall be equal to the Maximum Interest Rate; and

(c) If all of the Bonds are subject to Submitted Hold Orders, that the Auction Rate for the next succeeding Auction Period therefor shall be equal to the All-Hold Rate.

(F) Auction Rate Period: Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Auction Bonds. During an Auction Rate Period, Existing Holders shall continue to hold the principal amounts of Bonds that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to subsection (f) of Section 2.18(E), the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other actions as are set forth below:

(1) If Sufficient Clearing Bids have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (4) and (5) of this Section 2.18(F), Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(a) Existing Holders’ Submitted Bids specifying any rate that is higher than the Winning Bid Rate shall be accepted, thus requiring each such Existing Holder to sell the aggregate principal amount of Bonds subject to such Submitted Bids;

(b) Existing Holders’ Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bids;

(c) Potential Holders’ Submitted Bids specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the aggregate principal amount of Bonds subject to such Submitted Bids;

(d) each Existing Holder’s Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be rejected, thus entitling such Existing Holder to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bid, unless the aggregate principal amount of Bonds subject to all such Submitted Bids shall be greater than the principal amount of Bonds (the “remaining principal amount”) equal to the excess of the Available Auction Bonds over the aggregate principal amount of the Bonds subject to Submitted Bids described in paragraphs (b) and (c) of this subsection (1), in which event
such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the principal amount of Bonds subject to such Submitted Bid, but only in an amount equal to the principal amount of Bonds obtained by multiplying the remaining principal amount by a fraction, the numerator of which shall be the principal amount of Bonds held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of the principal amounts of Bonds subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate; and

(e) each Potential Holder’s Submitted Bid specifying a rate that is equal to the Winning Bid Rate shall be accepted but only in an amount equal to the principal amount of Bonds obtained by multiplying the excess of the Available Auction Bonds over the aggregate principal amount of Bonds subject to Submitted Bids described in paragraphs (b), (c) and (d) of this subsection (1) by a fraction the numerator of which shall be the aggregate principal amount of Bonds subject to such Submitted Bid of such Potential Holder and the denominator of which shall be the sum of the principal amount of Bonds subject to Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate.

(2) If Sufficient Clearing Bids have not been made (other than because all of the Bonds are subject to Submitted Hold Orders), subject to the provisions of subsection (4) of this Section 2.18(F), Submitted Orders shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(a) Existing Holders, Submitted Bids specifying any rate that is equal to or lower than the Maximum Interest Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the aggregate principal amount of Bonds subject to such Submitted Bids;

(b) Potential Holders’ Submitted Bids specifying any rate that is equal to or lower than the Maximum Interest Rate shall be accepted, thus requiring each such Potential Holder to purchase the aggregate principal amount of Bonds subject to such Submitted Bids; and

(c) each Existing Holder’s Submitted Bid specifying any rate that is higher than the Maximum Interest Rate and the Submitted Sell Orders of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the Bonds subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the aggregate principal amount of Bonds obtained by multiplying the aggregate principal amount of Bonds subject to Submitted Bids described in paragraph (b) of this subsection (2) by a fraction, the numerator of which shall be the aggregate principal amount of Bonds held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the
denominator of which shall be the aggregate principal amount of Outstanding Auction Bonds subject to all such Submitted Bids and Submitted Sell Orders.

(3) If all Bonds are subject to Submitted Hold Orders, all Submitted Bids shall be rejected.

(4) If, as a result of the procedures described in subsection (1) or (2) of this Section 2.18(F), any Existing Holder would be required to sell, or any Potential Holder would be required to purchase, a principal amount of Bonds that is not equal to $25,000 or an integral multiple thereof, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, round up or down the principal amount of such Bonds to be purchased or sold by any Existing Holder or Potential Holder so that the principal amount purchased or sold by each Existing Holder or Potential Holder shall be equal to $25,000 or an integral multiple thereof.

(5) If, as a result of the procedures described in subsection (1) of this Section 2.18(F), any Potential Holder would be required to purchase less than $25,000 in aggregate principal amount of Bonds, the Auction Agent shall, in such manner as, in its sole discretion, it shall determine, allocate Bonds for purchase among Potential Holders so that only Bonds in principal amounts of $25,000 or an integral multiple thereof are purchased by any Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing any Bonds.

(6) Based on the results of each Auction, the Auction Agent shall determine the aggregate principal amounts of Bonds to be purchased and the aggregate principal amounts of Bonds to be sold by Potential Holders and Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker Dealer, to the extent that such amounts differ, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers of Bonds such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers of Auction Bonds such Broker-Dealer shall receive, as the case may be, Bonds.

(7) Neither the Issuer nor the Getty Trust may submit an Order in any Auction. The Auction Agent shall have no duty or liability with respect to monitoring or enforcing the provisions of this paragraph.

(G) Securities Depository Required During Auction Rate Mode; Limitations on Transfer.

(1) Except as otherwise provided in this Section 2.18(G), Bonds bearing interest at the Auction Rate shall be registered in the name of the Securities Depository or its nominee and ownership thereof shall be maintained in Book-Entry Form by the Securities Depository for the account of the Agent Members thereof.

(2) If at any time the Securities Depository notifies the Issuer and the Getty Trust that it is unwilling or unable to continue as owner of Bonds or if at any time the Securities Depository shall no longer be registered or in good standing under the
Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to the Securities Depository is not appointed by the Issuer at the direction of the Getty Trust, the Bond Trustee, the Auction Agent and the Broker-Dealer, within 90 days after the Issuer and the Getty Trust receive notice or become aware of such condition, as the case may be, the Issuer shall execute and the Bond Trustee shall authenticate and deliver certificates representing the Bonds. Bonds issued pursuant to this Section 2.18(G)(2) shall be registered in such names and authorized denominations as the Securities Depository, pursuant to instructions from the Agent Members or otherwise, shall instruct the Issuer and the Bond Trustee. The Bond Trustee shall deliver the Bonds to the Persons in whose names such Bonds are so registered on the Business Day immediately preceding the first day of an Auction Period.

So long as the ownership of the Bonds is maintained in Book-Entry Form by the Securities Depository, an Existing Holder may sell, transfer or otherwise dispose of Bonds only pursuant to a Bid or Sell Order placed in an Auction or to or through a Broker-Dealer, provided that, in the case of all transfers other than pursuant to Auctions, such Existing Holder, its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer.

SECTION 2.19. Amendments of Auction Provisions. Notwithstanding any other provision of Article IX hereof, the provisions of this Bond Indenture relating to Bonds bearing interest at Auction Rates, including without limitation the definitions of terms used in Section 2.18 (including without limitation the definitions of Auction Rate, All-Hold Rate, and Maximum Interest Rate) may be amended by the Issuer and the Bond Trustee by an indenture or indentures supplemental hereto at the written request of the Getty Trust, (i) upon obtaining an Opinion of Counsel that the same does not materially adversely affect the rights of the Beneficial Owners or (ii) by obtaining the consent of the Beneficial Owners. In the case of clause (ii) above, the Bond Trustee shall mail notice of such amendment to the Beneficial Owners, and if, on the first Auction Date occurring at least thirty (30) days after the date on which the Bond Trustee mailed such notice, Sufficient Clearing Bids have been received or all of the Bonds are subject to Submitted Hold Orders, the proposed amendment shall be deemed to have been consented to by the Beneficial Owners. As an additional condition precedent to any such amendment pursuant to the provisions of this Section, there shall be delivered to the Issuer, the Getty Trust and the Bond Trustee a Favorable Opinion of Bond Counsel with respect to such amendment. Written notice of each such amendment shall be delivered by the Bond Trustee to the Issuer, the Auction Agent, the Market Agent, the Getty Trust and each Broker-Dealer.

ARTICLE III

ISSUANCE OF BONDS; APPLICATION OF PROCEEDS

SECTION 3.01. Issuance of Bonds. At any time after the execution of this Bond Indenture, the Issuer may execute and the Bond Trustee shall authenticate and, upon Request of the Issuer, deliver the Series 2003A Bonds in the aggregate principal amount of eighty-five million dollars ($85,000,000), the Series 2003B Bonds in the aggregate principal amount of eighty million dollars ($80,000,000), the Series 2003C Bonds in the aggregate principal amount
of fifty-five million dollars ($55,000,000) and the Series 2003D Bonds in the aggregate principal amount of fifty-five million dollars ($55,000,000).

SECTION 3.02. Application of Proceeds of Bonds. The proceeds received from the sale of the Bonds (being $274,075,958, equal to the aggregate principal amount of $275,000,000, less underwriters’ discount of $924,042), shall be deposited in trust with the Bond Trustee, who shall forthwith deposit and transfer such funds as follows:

(A) The Bond Trustee shall deposit in the Costs of Issuance Fund the sum of $516,300.00.

(B) The Bond Trustee shall deposit in the Project Fund the sum of $273,559,658.00.

SECTION 3.03. Establishment and Application of Costs of Issuance Fund. The Bond Trustee shall establish, maintain and hold in trust a separate fund designated as the “Costs of Issuance Fund.” The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Bond Trustee to pay the Costs of Issuance upon Requisition of the Getty Trust in substantially the form attached hereto as Exhibit A stating the Person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. On November 15, 2003, or upon the earlier Request of the Getty Trust, amounts, if any, remaining in the Costs of Issuance Fund shall be transferred to the Project Fund. Upon such transfer, the Costs of Issuance Fund shall be closed.

SECTION 3.04. Establishment and Application of Project Fund.

(A) The Bond Trustee shall establish, maintain and hold in trust a separate fund designated as the “Project Fund.” The moneys in the Project Fund shall be used and withdrawn by the Bond Trustee to pay the costs of the Project, including any item of cost which is chargeable to the capital account of the Getty Trust in accordance with generally accepted accounting principles. No moneys in the Project Fund shall be used to pay Costs of Issuance.

(B) Before any payment from the Project Fund shall be made, the Getty Trust shall file or cause to be filed with the Bond Trustee a Requisition of the Getty Trust in substantially the form attached hereto as Exhibit B, stating (1) the item number of such payment; (2) the name of the Person to whom each such payment is due, which may be the Getty Trust in the case of reimbursement for Project costs theretofore paid by the Getty Trust; (3) the respective amounts to be paid; (4) the purpose by general classification for which each obligation to be paid was incurred; (5) that obligations in the stated amounts have been incurred by the Getty Trust and are presently due and payable and that each item thereof is a proper charge against the Project Fund and has not been previously paid from the Project Fund; and (6) that there has not been filed with or served upon the Getty Trust any notice of claim of lien, or attachment upon, or claim affecting the right to receive payment of, any of the amounts payable to any of the persons named in such Requisition, that has not been released or will not be released simultaneously with the payment of such obligation, other than materialmen’s or mechanics’ liens accruing by mere operation of law.
Upon receipt of a Requisition, the Bond Trustee shall pay the amount set forth in such Requisition as directed by the terms thereof out of the Project Fund. The Bond Trustee shall not make any such payment if it has received any written notice of claim of lien, attachment upon, or claim affecting the right to receive payment of, any of the monies to be so paid, that has not been released or will not be released simultaneously with such payment.

(C) When the Project shall have been completed, there shall be delivered to the Bond Trustee a Certificate of the Getty Trust stating the fact and date of such completion and stating that all of the costs thereof have been determined and paid (or that all of such costs have been paid less specified claims that are subject to dispute and for which a retention in the Project Account is to be maintained in the full amount of such claims until such dispute is resolved). Upon the receipt of such Certificate, the Bond Trustee shall, as directed by said Certificate, transfer any remaining balance in such Project Fund, less the amount of any such retention, to the Optional Redemption Account, and the Project Fund shall be closed upon the disbursement of such retention.

SECTION 3.05. Validity of Bonds. The validity of the authorization and issuance of the Bonds is not dependent on and shall not be affected in any way by any proceedings taken by the Issuer or the Bond Trustee with respect to or in connection with the Loan Agreement. The recital contained in the Bonds that the same are issued pursuant to the Act and the Constitution and laws of the State of California shall be conclusive evidence of their validity and of compliance with the provisions of law in their issuance.

ARTICLE IV

REDEMPTION AND TENDER OF BONDS

SECTION 4.01. Terms of Redemption.

(A) Optional Redemption of Bonds in the Commercial Paper Mode. Bonds in the Commercial Paper Mode are not subject to optional redemption prior to their respective Purchase Dates. Bonds in the Commercial Paper Mode shall be subject to redemption, at the option of the Getty Trust, in whole or in part on their respective Purchase Dates at a redemption price equal to the principal amount thereof, without premium.

(B) Optional Redemption of Bonds in the Daily Mode or the Weekly Mode. Bonds in the Daily Mode or the Weekly Mode are subject to redemption, at the option of the Getty Trust, in whole on any Business Day or in part on any Interest Payment Date, at a redemption price equal to the principal amount of Bonds called for redemption, without premium.

(C) Optional Redemption of Bonds in the Auction Mode. Bonds in the Auction Mode are subject to redemption, at the option of the Getty Trust, in whole or in part on the Business Day immediately succeeding any Auction Date or on any Interest Payment Date at a redemption price equal to the principal amount of Bonds called for redemption, without premium, provided that a partial redemption of such Bonds must be done such that remaining Outstanding Bonds of such Series will remain in authorized denominations.
(D) Optional Redemption of Bonds in a Long-Term Mode. Bonds in a Long-Term Mode are subject to redemption, at the option of the Getty Trust, in whole or in part, on the first day of the Long-Term Interest Rate Period applicable to such Bonds at a redemption price equal to the amount of Bonds called for redemption, plus accrued interest to the date fixed for redemption, without premium, and thereafter, during the periods specified below (or if the Bond Trustee receives a Favorable Opinion of Bond Counsel, during the periods and at the redemption prices specified in a notice of the Getty Trust to the Bond Trustee) in whole or in part on any date, at the redemption prices (expressed as a percentage of principal amount) hereinafter indicated or specified in the notice of the Getty Trust to the Bond Trustee, plus accrued interest, to the date fixed for redemption:

<table>
<thead>
<tr>
<th>Length of Long-Term Interest Rate Period (expressed in years)</th>
<th>Redemption Price</th>
</tr>
</thead>
<tbody>
<tr>
<td>greater than 10</td>
<td>upon and after 10 years at 100%</td>
</tr>
<tr>
<td>less than or equal to 10</td>
<td>Not subject to redemption</td>
</tr>
</tbody>
</table>

(E) The Bonds are also subject to redemption prior to their stated maturity date, in part, from Mandatory Sinking Account Payments deposited in the Principal Fund pursuant to Section 5.04 on April 1 of each of the years and in the principal amounts set forth in Section 5.04, together with interest accrued thereon to the date fixed for redemption, without premium.

(F) The Bonds are not subject to redemption during the Initial Interest Period.

SECTION 4.02. Selection of Bonds for Redemption. Whenever provision is made in this Bond Indenture for the redemption of less than all of the Bonds of any Series or any given portion thereof, the Bond Trustee shall select the Bonds to be redeemed, from all Bonds subject to redemption or such given portion thereof not previously called for redemption, by lot in any manner which the Bond Trustee in its sole discretion shall deem appropriate.

SECTION 4.03. Notice of Redemption. Notice of redemption shall be mailed by the Bond Trustee by first class mail, not less than thirty (30) days, nor more than sixty (60) days prior to the redemption date, to the Issuer and the respective Holders of any Bonds designated for redemption at their addresses appearing on the bond registration books of the Bond Trustee. If the Bonds are no longer held by the Securities Depository or its successor or substitute, the Bond Trustee shall also give notice of redemption by overnight mail or by other acceptable means to such securities depositories and/or securities information services as shall be designated in a Certificate of the Getty Trust. Each notice of redemption shall state the date of such notice, the date of issue of the Bonds, the redemption date, the Redemption Price, the place or places of redemption (including the name and appropriate address or addresses of the Bond Trustee), the maturity (including CUSIP numbers, if any), and, in the case of a Series of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on said date there will become due and payable on each of said Bonds the Redemption Price thereof or of said specified portion of the principal amount thereof in the case of a Bond of a Series to be redeemed in part only, together with interest
accrued thereon to the redemption date, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered.

Notice of redemption of Bonds shall be given by the Bond Trustee, at the expense of the Getty Trust, for and on behalf of the Issuer.

Failure by the Bond Trustee to give notice pursuant to this Section 4.03 to any one or more of the securities information services or depositories designated by the Getty Trust, or the insufficiency of any such notice shall not affect the sufficiency of the proceedings for redemption. Failure by the Bond Trustee to mail notice of redemption pursuant to this Section 4.03 to any one or more of the respective Holders of any Bonds designated for redemption shall not affect the sufficiency of the proceedings for redemption with respect to the Holders to whom such notice was mailed.

The Getty Trust may instruct the Bond Trustee to provide conditional notice of redemption, which may be conditioned upon the receipt of moneys or any other event. Additionally, any notice given pursuant to this Section 4.03 may be rescinded by written notice given to the Bond Trustee by the Getty Trust no later than five (5) Business Days prior to the date specified for redemption. The Bond Trustee shall give notice of such rescission, as soon thereafter as practicable, in the same manner, to the same Persons, as notice of such redemption was given pursuant to this Section 4.03.

SECTION 4.04. Partial Redemption of Bonds. Upon surrender of any Bond redeemed in part only, the Issuer shall execute (but need not prepare) and the Bond Trustee shall prepare or cause to be prepared, authenticate and deliver to the Holder thereof, at the expense of the Getty Trust, a new Bond or Bonds of authorized denominations, and of the same maturity, equal in aggregate principal amount to the unredeemed portion of the Bond surrendered.

SECTION 4.05. Effect of Redemption. Notice of redemption having been duly given as aforesaid, and moneys for payment of the Redemption Price of, together with interest accrued to the date fixed for redemption on, a Series of Bonds (or portions thereof) so called for redemption being held by the Bond Trustee, on the date fixed for redemption designated in such notice, the Bonds (or portions thereof) so called for redemption shall become due and payable at the Redemption Price specified in such notice and interest accrued thereon to the date fixed for redemption, interest on the Bonds so called for redemption shall cease to accrue, said Bonds (or portions thereof) shall cease to be entitled to any benefit or security under this Bond Indenture, and the Holders of said Bonds shall have no rights in respect thereof except to receive payment of said Redemption Price and accrued interest to the date fixed for redemption from funds held by the Bond Trustee for such payment.

All Bonds redeemed pursuant to the provisions of this Article shall be cancelled upon surrender thereof and delivered to or upon the Order of the Issuer.

SECTION 4.06. Optional Tenders of Bonds in the Daily Mode or the Weekly Mode. The Holders of Eligible Bonds (other than Liquidity Facility Bonds) in a Daily Mode or a Weekly Mode may elect to have their Bonds (or portions of those Bonds in amounts equal to the
lowest denomination then authorized pursuant to Section 2.02) purchased on any Business Day at a price equal to the Purchase Price,

(A) in the case of Bonds in a Daily Mode, upon delivery of an irrevocable telephonic notice of tender to the Remarketing Agent and the Tender Agent not later than 10:00 a.m. New York City time on the Purchase Date specified by the Holder; and

(B) in the case of Bonds in a Weekly Mode, upon delivery of an irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent and the Tender Agent, promptly confirmed in writing to the Tender Agent, not later than 4:00 p.m. New York City time on a Business Day not less than seven (7) days before the Purchase Date specified by the Holder in such notice.

Such notices of tender shall state the CUSIP number, Bond number (if the Bonds are not registered in the name of the Securities Depository) and the principal amount of such Bond and that such Bond shall be purchased on the Purchase Date specified above. Payment of the Purchase Price shall be made pursuant to this Section only if the Bond so delivered to the Tender Agent conforms in all respects to the description thereof in the notice described in this Section. A Holder who gives the notice of tender as set forth above may repurchase the Bonds so tendered on such Purchase Dates if the Remarketing Agent agrees to sell the Bonds so tendered to such Holder. If such Holder decides to repurchase such Bonds and the Remarketing Agent agrees to sell the specified Bonds to such Holder, the delivery requirements set forth in Section 4.11(D) shall be waived. The Tender Agent may assume that a Bond is an Eligible Bond unless it has actual knowledge to the contrary. Upon receipt of notice of tender by a Holder of Bonds in a Weekly Mode, the Tender Agent shall give notice of the principal amount of Bonds to be tendered by Electronic Means by 10:00 a.m. on the Business Day following receipt of the Holder's tender notice to the Getty Trust and the Liquidity Facility Provider with respect to such Bonds, if any.

SECTION 4.07. Mandatory Purchase at End of Commercial Paper Rate Periods. Each Bond in the Commercial Paper Mode shall be subject to mandatory purchase on the Purchase Date for the current Interest Period at the Purchase Price. No notice of such mandatory purchase shall be given to the Holders.
SECTION 4.08. Mandatory Purchase on Mode Change Date.

Bonds to be changed from one Mode to another Mode, including Bonds changing from one Long-Term Interest Rate Period to another Long-Term Interest Rate Period, are subject to mandatory purchase on the Mode Change Date at the Purchase Price. The Tender Agent shall give notice of such mandatory purchase by mail to the Holders of the Bonds subject to mandatory purchase no less than ten (10) days prior to the Mandatory Purchase Date. The notice shall state, in addition to the items set forth in Section 2.09 (D), the Mandatory Purchase Date, the Purchase Price and that interest on Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to mail such notice with respect to any Bond shall not affect the validity of the mandatory purchase of any other Bond with respect to which notice was so mailed. Any notice mailed will be conclusively presumed to have been given, whether or not actually received by any Holder.

SECTION 4.09. Mandatory Purchase on Expiration Date and Substitute Liquidity Facility Date.

(A) If a Liquidity Facility is then in effect with respect to a Series of Bonds, on each Substitute Liquidity Facility Date and on the second Business Day preceding each Expiration Date with respect to such Liquidity Facility, the Eligible Bonds of such Series shall be subject to mandatory purchase on such date at the principal amount thereof, plus accrued interest, if any, with respect thereto to the Expiration Date or Substitute Liquidity Facility Date; provided, however, that the Bonds of such Series shall not be subject to Mandatory Purchase on the Substitute Liquidity Facility Date or the second Business Day preceding each Expiration Date if on or prior to the 15th day prior to such Expiration Date or Substitute Liquidity Facility Date, the Getty Trust has furnished to the Bond Trustee an agreement to extend the Expiration Date of the Liquidity Facility and such Expiration Date is actually extended. Bonds purchased on the second Business Day preceding the Expiration Date shall not be remarketed by the Remarketing Agent until a Substitute Liquidity Facility is delivered to the Tender Agent, and the Purchase Price with respect thereto shall be paid from a draw on the Liquidity Facility. The Tender Agent shall give notice of such mandatory purchase by mail to the Holders of the Bonds subject to mandatory purchase no less than ten (10) days prior to such Mandatory Purchase Date. The notice shall state the Mandatory Purchase Date, the Purchase Price and that interest on Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to mail such notice with respect to any Bond shall not affect the validity of the mandatory purchase of any other Bond with respect to which notice was so mailed. Any notice mailed will be conclusively presumed to have been given, whether or not actually received by any Holder.

(B) On the second Business Day preceding each Termination Date for a Liquidity Facility relating to a Series of Bonds, the Eligible Bonds of such Series shall be subject to mandatory purchase on such date at the principal amount thereof, plus accrued interest, if any, with respect thereto to the Termination Date. Bonds purchased on the second Business Day preceding the Termination Date shall not be remarketed by the Remarketing Agent until a Substitute Liquidity Facility is delivered to the Bond Trustee, and the Purchase Price with respect thereto shall be paid from a draw on the Liquidity Facility. The Tender Agent shall give notice of such mandatory purchase by mail to the Holders of the Bonds of such Series as soon as practicable after receipt of notice of termination from the Liquidity Facility Provider. The notice
shall state the Mandatory Purchase Date, the Purchase Price and that interest on Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to mail such notice with respect to any Bond shall not affect the validity of the mandatory purchase of any other Bond with respect to which notice was so mailed. Any notice mailed will be conclusively presumed to have been given, whether or not actually received by any Holder.

SECTION 4.10. Remarketing of Bonds; Notices.

(A) Remarketing of Bonds. The Remarketing Agent shall use its best efforts (subject to the provisions of Section 4.11(F) hereof) to offer for sale:

(1) all Bonds or portions thereof as to which notice of tender has been given pursuant to Section 4.06;

(2) all Bonds required to be purchased pursuant to Sections 4.07, 4.08 and 4.09 (except for Bonds purchased on the Expiration Date or Termination Date, which the Remarketing Agent shall not remarket until a Substitute Liquidity Facility is delivered to the Tender Agent); and

(3) all Liquidity Facility Bonds.

(B) Notice of Remarketing; Registration Instructions; New Bonds. On each Purchase Date or Mandatory Purchase Date, as the case may be:

(1) the Remarketing Agent shall notify the Tender Agent and the Bond Trustee by Electronic Means not later than 11:00 a.m. New York City time of the amount of tendered Bonds which were successfully remarketed, the names of the tendering Holders and the registration instructions (i.e., the names, addresses and taxpayer identification numbers of the purchasers and the denominations then authorized pursuant to Section 2.02) with respect thereto; and

(2) the Bond Trustee shall execute new Bonds for the respective purchasers thereof which shall be available for pick-up by the Remarketing Agent pursuant to Section 4.11(E).

(C) Transfer of Funds; Draw on Liquidity Facility. On each Purchase Date or Mandatory Purchase Date, as the case may be:

(1) the Remarketing Agent shall give notice to the Tender Agent of receipt of the Purchase Price of remarshaled Bonds by 11:00 a.m. New York City time;

(2) the Remarketing Agent shall cause to be paid to the Tender Agent the Purchase Price of the remarshaled Bonds by 11:30 a.m. New York City time;

(3) the Tender Agent shall give notice to the Getty Trust and, if a Liquidity Facility is in effect with respect to the tendered Bonds, to the Liquidity Facility Provider by Electronic Means by 12:00 noon New York City time of the amount equal to the Purchase Price of all Bonds tendered or deemed tendered less the aggregate amount
of remarketing proceeds transferred to the Tender Agent by the Remarketing Agent pursuant to clause (2) of this Section 4.10(C);

(4) if a Liquidity Facility is in effect with respect to the tendered Bonds, the Tender Agent shall draw on the Liquidity Facility in accordance with the terms thereof so as to receive thereunder by 2:00 p.m. New York City time on such date an amount, in immediately available funds, sufficient, together with the proceeds of the remarketing of Bonds on such date, to enable the Tender Agent to pay the Purchase Price in connection therewith. The proceeds of such draw shall be paid to the Tender Agent, who shall deposit said proceeds in the Liquidity Facility Deposit Account pursuant to Section 4.11 hereof; and

(5) if a Liquidity Facility is not in effect with respect to the tendered Bonds or if the Liquidity Facility Provider fails to deliver payment of the Purchase Price on the Tendered Bonds, the Getty Trust shall pay to the Tender Agent by 2:30 p.m. New York City time, pursuant to Section 3.3 of the Loan Agreement, an amount, in immediately available funds, sufficient, together with the proceeds of the remarketing of Bonds on such date, to enable the Tender Agent to pay the Purchase Price in connection therewith. The Tender Agent shall deposit said moneys in the Corporate Deposit Account pursuant to Section 4.11 hereof.

(A) Purchase Fund. The Tender Agent shall establish and maintain a special fund designated as the “Purchase Fund,” and within such fund three separate accounts designated, respectively, as the “Corporate Deposit Account,” the “Liquidity Facility Deposit Account” and the “Remarketing Proceeds Account.” The money in the Purchase Fund shall be held in trust and applied solely as provided in this Section.

The Tender Agent shall deposit all moneys delivered to it hereunder by the Remarketing Agent for the purchase of Bonds into the Remarketing Proceeds Account and shall hold all such moneys in trust for the exclusive benefit of the Person that shall have so delivered such moneys until the Bonds purchased with such moneys shall have been delivered to it for the account of such Person and, thereafter, for the benefit of the Holders tendering such Bonds.

The Tender Agent shall deposit all moneys delivered to it hereunder from a payment by or on behalf of the Liquidity Facility Provider for the purchase of Bonds into the Liquidity Facility Deposit Account and shall hold all such moneys in trust for the exclusive benefit of the Liquidity Facility Provider until the Bonds purchased with such moneys shall have been delivered to or for the account of the Liquidity Facility Provider and, after such delivery, the Tender Agent shall hold such funds exclusively for the benefit of the Holders tendering such Bonds.

The Tender Agent shall deposit all moneys delivered to it hereunder by the Getty Trust pursuant to Section 3.3 of the Loan Agreement for the purchase of Bonds into the Corporate Deposit Account.
Moneys in the Corporate Deposit Account, the Liquidity Facility Deposit Account and the Remarketing Proceeds Account shall not be commingled with other funds held by the Tender Agent and shall remain uninvested. Neither the Issuer nor the Getty Trust shall have any right, title or interest in or to any moneys held in the Liquidity Facility Deposit Account or the Remarketing Proceeds Account.

(B) Payment of Purchase Price. At or before close of business New York City time on the Purchase Date and upon receipt by the Tender Agent of the aggregate Purchase Price of the tendered Bonds, the Tender Agent shall pay the Purchase Price of such Bonds to the Holders by bank wire transfer in immediately available funds. The Tender Agent shall pay the Purchase Price from the following accounts and in the following order of priority: (1) the Remarketing Proceeds Account to the extent funds are available therein, (2) in the case of Eligible Bonds, if a Liquidity Facility is then in effect with respect to such Bonds, the Liquidity Facility Deposit Account, and (3) the Corporate Deposit Account. The Tender Agent may assume that a Bond is an Eligible Bond unless it has actual knowledge to the contrary. If at close of business New York City time on any date of purchase of Bonds any balance remains in the Liquidity Facility Deposit Account in excess of any unsatisfied purchase obligation, such excess shall be promptly returned to the Liquidity Facility Provider.

(C) Inadequate Funds for Tenders. If the funds available for purchases of Eligible Bonds pursuant to this Article IV are inadequate for the purchase of all Bonds tendered on any Purchase Date, no purchase shall be consummated and the Tender Agent shall, after any applicable grace period, (1) return all tendered Bonds to the Holders thereof, (2) return all moneys deposited in the Remarketing Proceeds Account to the Remarketing Agent for return to the Persons providing such moneys and (3) return all moneys deposited in the Liquidity Facility Deposit Account to the Liquidity Facility Provider.

(D) Delivery of Bonds by Tendering Bondholders; Undelivered Bonds Deemed Purchased. All Bonds to be purchased on any Purchase Date shall be required to be delivered to the principal corporate office of the Tender Agent at or before 12:00 p.m., New York City time, on such Purchase Date. If the Holder of any Bond (or portion thereof) that is subject to purchase pursuant to this Article IV fails to deliver such Bond to the Tender Agent for purchase on the Purchase Date, and if the Tender Agent is in receipt of the Purchase Price thereof, such Bond (or portion thereof) shall nevertheless be deemed purchased on the day fixed for purchase thereof and ownership of such Bond (or portion thereof) shall be transferred to the purchaser thereof as provided in subsection (E) below. Any Holder who fails to deliver such Bond for purchase shall have no further rights thereunder except the right to receive the Purchase Price thereof upon presentation and surrender of said Bond to the Tender Agent. The Tender Agent shall, as to any tendered Bonds that have not been delivered to it: (1) promptly notify the Remarketing Agent of such nondelivery; and (2) instruct the Bond Trustee to place a stop transfer against an appropriate amount of Bonds registered in the name of such Holder(s) on the Bond registration books. The Bond Trustee shall place such stop(s) commencing with the lowest serial number Bond registered in the name of such Holder(s) until stop transfers have been placed against an appropriate amount of Bonds until the appropriate tendered Bonds are delivered to the Tender Agent who shall deliver such Bonds to the Bond Trustee. Upon such delivery, the Bond Trustee shall make any necessary adjustments to the Bond registration books.
(E) **Delivery of Bonds to Purchasers.** On the Purchase Date, the Tender Agent shall direct the Bond Trustee to execute and deliver all Bonds purchased on any Purchase Date as follows: (1) Bonds purchased and remarshaled by the Remarketing Agent shall be registered and made available to the Remarketing Agent by 1:30 p.m., New York City time, in accordance with the instructions of the Remarketing Agent; (2) Bonds purchased with amounts paid by the Getty Trust shall be registered and made available in the name of or as directed in writing by the Getty Trust; and (3) Bonds purchased with amounts paid by or on behalf of the Liquidity Facility Provider (if any) shall be registered and made available in the name of or as directed in writing by the Liquidity Facility Provider on or before 1:30 p.m., New York City time, and become Liquidity Facility Bonds. Notwithstanding the foregoing, if a Liquidity Facility is in effect, the Tender Agent shall not deliver any such Bonds unless it has received notice from the Liquidity Facility Provider that the amount available for the purchase of Bonds (prior to a conversion to Fixed Rate) is at least equal to the Required Stated Amount.

(F) **No Purchases or Sales After Payment Default.** Anything in this Bond Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default described in Section 7.01(A) or (B), then the Remarketing Agent shall not remarket any Bonds.

(G) Whenever a Liquidity Facility is in place with respect to any Series of Bonds, the Remarketing Agent shall not remarket any applicable Series of Bonds to the Issuer, the Getty Trust, or any affiliate or guarantor of the Getty Trust.

SECTION 4.12. **The Remarketing Agent.**

(A) The Getty Trust has entered into the Remarketing Agreement with Morgan Stanley & Co. Incorporated, as Remarketing Agent with respect to the Series 2003A and Series 2003B Bonds and J.P. Morgan Securities Inc. as Remarketing Agent with respect to the Series 2003C and Series 2003D Bonds. Each successor Remarketing Agent appointed in accordance with this Bond Indenture shall designate its principal office and signify its acceptance of the duties and obligations imposed upon it as described herein by a written instrument of acceptance delivered to the Issuer, the Bond Trustee, the Tender Agent and the Getty Trust, under which the Remarketing Agent (subject to subsection (B) below) will agree particularly:

1. to hold all moneys delivered to it hereunder for the purchase of Bonds for the exclusive benefit of the Person or Persons that shall have so delivered such moneys until the Bonds purchased with such moneys shall have been delivered to or for the account of such Person or Persons;

2. to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Issuer, the Bond Trustee, the Liquidity Facility Provider and the Getty Trust at all reasonable times;

3. to determine the Daily Rate, the Weekly Rate, the Commercial Paper Rate and the Fixed Rate and give notice of such rates in accordance with Article II hereof;
(4) to use its best efforts to find purchasers for the Bonds tendered for purchase, any such sale to be made at a price equal to 100% of the principal amount thereof plus accrued interest to the purchase date, in accordance with the terms of this Bond Indenture; and

(5) to deliver to the Tender Agent all Bonds held by it in accordance with the terms of the Bond Indenture and the Remarketing Agreement.

(B) One or more firms may serve as co-Remarketing Agent hereunder provided that each co-Remarketing Agent satisfies the requirements of Section 4.13 hereof. If co-Remarketing Agents have been appointed and are performing the duties of Remarketing Agent hereunder, all references herein to the Remarketing Agent shall be deemed to refer to all the Remarketing Agents acting jointly; provided that the Remarketing Agreement may provide that one firm may perform certain specified duties hereunder in its sole capacity.

(C) If the Remarketing Agent shall resign, be removed, or be dissolved, or if the property or affairs of the Remarketing Agent shall be taken under control of any state or federal court or administrative body because of bankruptcy or insolvency, or for any other reason, and the Getty Trust shall not have appointed a successor as Remarketing Agent, the Tender Agent shall ipso facto be deemed to be such Remarketing Agent for all purposes of this Bond Indenture until the appointment by the Getty Trust of a successor Remarketing Agent; provided, however, that the Tender Agent, in its capacity as Remarketing Agent, shall not be required to sell Bonds or determine the interest rate on the Bonds hereunder if the Tender Agent should be prohibited by law from conducting such activities. The Getty Trust will notify each Rating Agency then rating the Bonds of any successor Remarketing Agent or co-Remarketing Agent.

(D) The Remarketing Agent may in good faith hold the Bonds or any other form of indebtedness issued by the Issuer or any security issued by the Getty Trust; own, accept or negotiate any drafts, bills of exchange, acceptances or obligations thereof; and make disbursements therefor and enter into any commercial or business arrangement therewith; all without any liability on the part of the Remarketing Agent for any real or apparent conflict of interest by reason of any such actions.

SECTION 4.13. Qualifications of Remarketing Agent.

(A) The Remarketing Agent shall be authorized by law to perform all the duties imposed upon it and shall have a combined capital stock, surplus or undivided profits of at least $50 million. The Remarketing Agent may at any time resign and be discharged of the duties and obligations described in this Bond Indenture by giving at least thirty (30) days' notice to the Issuer, the Bond Trustee, the Tender Agent, the Liquidity Facility Provider (if any), the Getty Trust and each Rating Agency then rating the Bonds. Successor Remarketing Agents may be appointed from time to time by the Getty Trust if not objected to by the Issuer or the Liquidity Facility Provider (if any). The Remarketing Agent may be removed upon thirty (30) days' notice upon the written Request of the Getty Trust and upon written notice to the Remarketing Agent, the Issuer, the Tender Agent, the Bond Trustee and the Liquidity Facility Provider (if any), so
long as a successor Remarketing Agent shall have assumed the duties thereof by the effective date of such removal.

(B) Notwithstanding any other provision to the contrary contained herein, any corporation or association into which the Remarketing Agent may be converted or merged, or with which it may be consolidated, or to which it may be consolidated, or to which it may sell or transfer its marketing business and assets as a whole or substantially as a whole, shall become successor Remarketing Agent hereunder and fully vested with all of the rights, powers, trusts, duties and obligations of Remarketing Agent hereunder, without the execution or filing of any instrument or any further act.

(A) The Issuer hereby appoints Wells Fargo Bank, National Association, as the Tender Agent, and it and each successor Tender Agent appointed in accordance with this Bond Indenture shall designate its principal corporate office and signify its acceptance of the duties and obligations imposed upon it as described herein by a written instrument of acceptance delivered to the Issuer, the Bond Trustee and the Getty Trust under which each Tender Agent will agree, particularly:

(1) to hold all Bonds delivered to it for purchase hereunder in trust for the exclusive benefit of the respective Holders that shall have so delivered such Bonds until moneys representing the purchase price of such Bonds shall have been delivered to or for the account of or to the order of such Holders;

(2) to hold all moneys delivered to it hereunder for the purchase of Bonds in trust for the exclusive benefit of the Person that shall have so delivered such moneys until the Bonds purchased with such moneys shall have been delivered to it for the account of such Person and, thereafter, for the benefit of the Holders tendering such Bonds;

(3) to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Issuer, the Bond Trustee, the Remarketing Agent, the Liquidity Facility Provider and the Getty Trust; and

(4) for any Bonds in the Commercial Paper Mode, the Tender Agent shall assign such CUSIP numbers to the Bonds on each Rate Determination Date as provided in Section 2.05.

(B) The Tender Agent shall be entitled to the protections, indemnities, immunities and limitations from liability afforded the Bond Trustee hereunder in the performance of its duties.

SECTION 4.15. Qualifications of Tender Agent.

(A) Any successor Tender Agent shall be a commercial bank with trust powers or trust company duly organized under the laws of the United States of America or any state or
territory thereof, having a combined capital stock, surplus and undivided profits of at least $50 million and authorized by law to perform all duties imposed upon it hereunder. Each Tender Agent shall have an office, affiliate office or agency in New York, New York. A Tender Agent may at any time resign and be discharged of its duties and obligations by giving at least sixty (60) days’ notice to the Issuer, the Bond Trustee, the Remarketing Agent, the Liquidity Facility Provider (if any), all Holders of Bonds then Outstanding and the Getty Trust. Any Tender Agent may be removed at any time by the Issuer upon written request of the Getty Trust and notice to the Bond Trustee, the Remarketing Agent, the Liquidity Facility Provider (if any) and each Rating Agency then rating the Bonds. Any resignation or removal of the Tender Agent and appointment of a successor Tender Agent shall become effective upon acceptance of appointment by the successor Tender Agent. Successor Tender Agents may be appointed from time to time by the Getty Trust if not objected to by the Issuer or the Liquidity Facility Provider (if any). The Bond Trustee shall provide notice of such successor Tender Agent to all Holders of the Bonds.

(B) Upon the resignation or removal of a Tender Agent, such Tender Agent shall deliver any Bonds, the Liquidity Facility (if any) and moneys held by it in such capacity to its successor.

(C) Notwithstanding any other provision to the contrary contained herein, any corporation or association into which the Tender Agent may be converted or merged, or with which it may be consolidated, or to which it may be consolidated, or to which it may sell or transfer its marketing business and assets as a whole or substantially as a whole (provided the resulting entity meets the requirements set forth in subsection (A) hereof), shall become successor Tender Agent hereunder and fully vested with all of the rights, powers, trusts, duties and obligations of Tender Agent hereunder, without the execution or filing of any instrument or any further act.

SECTION 4.16. Appointment of Auction Agent; Qualifications of Auction Agent; Resignation; Removal. On or before the effective date of a change in Mode to an Auction Mode, an Auction Agent shall be appointed by the Getty Trust. The Auction Agent shall evidence its acceptance of such appointment by entering into an Auction Agent Agreement with the Getty Trust. The Auction Agent shall be (A) a bank or trust company duly organized under the laws of the United States of America or any state or territory thereof and having a combined capital stock, surplus and undivided profits of at least $15,000,000 or (B) a member of the National Association of Securities Dealers, Inc., having a capitalization of at least $15,000,000 and, in either case, authorized by law to perform all the duties imposed upon it under the Auction Agent Agreement. The Auction Agent may at any time resign and be discharged of the duties and obligations created by this Bond Indenture by giving at least 45 days’ notice to the Bond Trustee, the Getty Trust and the Broker-Dealer. The Auction Agent may be removed at any time by the Getty Trust upon at least 45 days’ notice; provided that, the Getty Trust shall have entered into an agreement in substantially the form of the Auction Agent Agreement with a successor Auction Agent.

SECTION 4.17. Broker-Dealer. On or before the effective date of a change in Mode to an Auction Mode, one or more Broker-Dealers shall be appointed by the Getty Trust. Any such Broker-Dealer shall signify its acceptance of the duties and obligations imposed on it
hereunder by the execution of a Broker-Dealer Agreement. The Broker-Dealer may at any time resign and be discharged of the duties and obligations created by this Bond Indenture by giving at least 45 days’ notice to the Bond Trustee, the Getty Trust and the Auction Agent. The Broker-Dealer may be removed at any time by the Getty Trust upon at least 15 days’ notice; provided that, the Getty Trust shall have entered into an agreement in substantially the form of the Broker-Dealer Agreement with a successor Broker-Dealer. During an Auction Period, all references in this Bond Indenture to the Remarketing Agent shall, to the extent not inconsistent with the rights, duties and obligations of the Broker-Dealer per se, be deemed to refer to the Broker-Dealer.

ARTICLE V

REVENUES

SECTION 5.01. Pledge and Assignment.

(A) Subject only to the provisions of this Bond Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, the Issuer hereby pledges to secure the payment of the principal of and interest on the Bonds in accordance with their terms and the provisions of this Bond Indenture, all of the Revenues and any other amounts (including proceeds of the sale of Bonds) held in any fund or account established pursuant to this Bond Indenture (other than the Rebate Fund and the Purchase Fund). Said pledge shall constitute a lien on and security interest in such assets and shall attach, be perfected and be valid and binding from and after delivery by the Bond Trustee of the Bonds, without any physical delivery thereof or further act.

(B) The Issuer hereby transfers in trust, grants a security interest in and assigns to the Bond Trustee in trust, for the benefit of the Holders from time to time of the Bonds, all of the Revenues and other assets pledged in subsection (a) of this Section and all of the right, title and interest of the Issuer in the Loan Agreement (except for Reserved Rights). The Bond Trustee shall be entitled to and shall, subject to the provisions of this Bond Indenture, collect and receive all of the Revenues, and any Revenues collected or received by the Issuer shall be deemed to be held, and to have been collected or received, by the Issuer as the agent of the Bond Trustee and shall forthwith be paid by the Issuer to the Bond Trustee. The Bond Trustee also shall be entitled to and shall, subject to the provisions of this Bond Indenture, take all steps, actions and proceedings reasonably necessary in its judgment to enforce all of the rights of the Issuer and all of the obligations of the Getty Trust under the Loan Agreement other than Reserved Rights. All Revenues deposited with the Bond Trustee shall be held, disbursed, allocated and applied by the Bond Trustee only as provided in this Bond Indenture.

(C) Except as otherwise explicitly provided in this Bond Indenture, all Revenues shall be promptly deposited by the Bond Trustee upon receipt thereof in a special fund designated as the "Revenue Fund" which the Bond Trustee shall establish, maintain and hold in trust, except as otherwise provided in Sections 5.06 and 5.07 and except that all moneys received by the Bond Trustee and required by the Loan Agreement to be deposited in the Corporate Deposit Account of the Purchase Fund and the Redemption Fund shall be promptly deposited in such Fund, which the Bond Trustee shall establish, maintain and hold in trust. All Revenues

-69-
deposited with the Bond Trustee shall be held, disbursed, allocated and applied by the Bond Trustee only as provided in this Bond Indenture.

SECTION 5.02. Allocation of Revenues. On or before the dates specified below, the Bond Trustee shall transfer from the Revenue Fund and deposit into the following respective accounts (each of which the Bond Trustee shall establish and maintain within the Revenue Fund) the following amounts, in the following order of priority, the requirements of each such account (including the making up of any deficiencies in any such account resulting from lack of Revenues sufficient to make any earlier required deposit) at the time of deposit to be satisfied before any transfer is made to any account subsequent in priority:

First: on each Interest Payment Date, to the Interest Account, the aggregate amount of interest becoming due and payable on such Interest Payment Date on all Bonds then Outstanding, until the balance in said account is equal to said aggregate amount of interest; and

Second: on each Principal Payment Date, to the Principal Account, the aggregate amount of Mandatory Sinking Account Payments required to be paid into the Principal Account on such Principal Payment Date plus the aggregate principal amount of principal becoming due on such Principal Payment Date, until the balance in said account is equal to said aggregate amount of such Mandatory Sinking Account Payments and principal.

Any moneys remaining in the Revenue Fund after the foregoing transfers shall be transferred to the Getty Trust.

SECTION 5.03. Interest Account. All amounts in the Interest Account shall be used and withdrawn by the Bond Trustee solely for the purpose of paying interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity pursuant to this Bond Indenture).

SECTION 5.04. Principal Account.

(A) All amounts in the Principal Account shall be used and withdrawn by the Bond Trustee solely to purchase or redeem or pay at maturity Bonds, as provided herein.

(B) On each Mandatory Sinking Account Payment date, the Bond Trustee shall apply the Mandatory Sinking Account Payment required on that date to the redemption (or payment at maturity, as the case may be) of Bonds, upon the notice and in the manner provided in Article IV; provided that, at any time prior to giving such notice of such redemption, the Bond Trustee may apply moneys in the Principal Account to the purchase of Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as directed by the Getty Trust in writing, except that the purchase price (excluding accrued interest) shall not exceed the principal amount of such Bonds. If, during the twelve-month period immediately preceding said Mandatory Sinking Account Payment date, the Bond Trustee has purchased Bonds with moneys in the Principal Account, or, during said period and prior to giving said notice of redemption, the Getty Trust has deposited Bonds with the Bond Trustee, or Bonds were at any time purchased or
redeemed by the Bond Trustee from the Redemption Fund and allocable to said Mandatory Sinking Account Payment, such Bonds so purchased or deposited or redeemed shall be applied, to the extent of the full principal amount thereof, to reduce said Mandatory Sinking Account Payment. All Bonds purchased or deposited pursuant to this subsection shall be canceled by the Bond Trustee upon the order of the Issuer. All Bonds purchased from the Principal Account or deposited by the Getty Trust with the Bond Trustee shall be allocated first to the Mandatory Sinking Account Payments as may be specified by the Getty Trust or, if the Getty Trust fails to specify such Mandatory Sinking Account Payments, in inverse order of their payment dates.

(C) Subject to the terms and conditions set forth in this Section and in Section 4.01(C), the Series 2003A Bonds shall be redeemed (or paid at maturity, as the case may be) by application of Mandatory Sinking Account Payments in the following amounts and on the following dates hereby established:

SECTION 5.05. Redemption Fund.

(A) The Bond Trustee shall deposit the following Revenues in the Redemption Fund when and as such Revenues are received:

1. the principal component of all cash prepayments of Loan Repayments made pursuant to Section 3.4 of the Loan Agreement;

2. all interest, profits and other income received from the investment of moneys in the Redemption Fund; and

3. all moneys deposited by the Getty Trust with the Bond Trustee directed to be deposited in the Redemption Fund in accordance with the Loan Agreement.

(B) All amounts deposited in the Redemption Fund shall be used and withdrawn by the Bond Trustee solely for the purpose of redeeming Bonds, in the manner and upon the terms and conditions specified in Sections 4.01(A), 4.01(B), 4.01(C) and 4.01(D), respectively, at the next succeeding date of redemption for which notice has not been given; provided that, at any time prior to the selection of Bonds for such redemption, the Bond Trustee shall, upon direction of the Getty Trust, apply such amounts to the purchase of Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the Getty Trust may direct, except that the purchase price (exclusive of accrued interest) may not exceed the Redemption Price then applicable to such Bonds (or, if such Bonds are not then subject to redemption, the par value of such Bonds); and provided further that in lieu of redemption at such next succeeding date of redemption, or in combination therewith, amounts in such account may be transferred to the Principal Account and credited against Loan Repayments in order of their due date as set forth in a Request of the Getty Trust. All Bonds purchased or redeemed from the Redemption Fund shall be allocated to the Mandatory Sinking Account Payments specified by the Getty Trust in writing.
SECTION 5.06. Rebate Fund.

(A) The Bond Trustee shall establish and maintain a fund separate from any other fund established and maintained hereunder designated as the Rebate Fund. Within the Rebate Fund, the Bond Trustee shall maintain such accounts as shall be specified by the Getty Trust in order to comply with the Tax Agreement. Subject to the transfer provisions provided in paragraph (e) below, all money at any time deposited in the Rebate Fund shall be held by the Bond Trustee in trust, to the extent required to satisfy the Rebate Amount (as defined in the Tax Agreement), for payment to the federal government of the United States of America. The Issuer, the Getty Trust and the Holder of any Bonds shall have no rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section, by Section 6.06 and by the Tax Agreement (which is incorporated herein by reference). The Bond Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Getty Trust including supplying all necessary information in the manner provided in the Tax Agreement, and shall have no liability or responsibility to enforce compliance by the Getty Trust or the Issuer with the terms of the Tax Agreement.

(B) Upon the Getty Trust’s written direction, an amount shall be deposited to the Rebate Fund by the Bond Trustee from deposits by the Getty Trust, if and to the extent required, so that the balance in the Rebate Fund shall equal the Rebate Amount. Computations of the Rebate Amount shall be furnished by or on behalf of the Getty Trust in accordance with the Tax Agreement.

(C) The Bond Trustee shall have no obligation to rebate any amounts required to be rebated pursuant to this Section, other than from moneys held in the Rebate Fund or provided to it by the Getty Trust.

(D) At the written direction of the Getty Trust, the Bond Trustee shall invest all amounts held in the Rebate Fund in Investment Securities, subject to the restrictions set forth in the Tax Agreement. The Bond Trustee shall not be liable for any consequences arising from such investment. Money shall not be transferred from the Rebate Fund except as provided in subsection (E) below.

(E) Upon receipt of the Getty Trust’s written directions, the Bond Trustee shall remit part or all of the balances in the Rebate Fund to the United States of America, as so directed. In addition, if the Getty Trust so directs, the Bond Trustee will deposit money into or transfer money out of the Rebate Fund from or into such accounts or funds as directed by the Getty Trust’s written directions; provided that any direction to transfer money out of the Rebate Fund is accompanied by a Certificate of the Getty Trust delivered to the Bond Trustee and the Issuer to the effect that it has calculated the current rebate liability, if any, and has determined that the amount remaining in the Rebate Fund after such transfer will be sufficient to discharge such liability. Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Amount, or provision made therefor satisfactory to the Bond Trustee, and payment of any amount then owed to the Bond Trustee, shall be withdrawn and remitted to the Getty Trust.
(F) Notwithstanding any other provision of this Bond Indenture, including in particular Article X, the obligation to remit the Rebate Amounts to the United States of America and to comply with all other requirements of this Section, Section 6.06 and the Tax Agreement shall survive the defeasance or payment in full of the Bonds.

SECTION 5.07. Investment of Moneys in Funds and Accounts. All moneys in any of the funds and accounts established pursuant to this Bond Indenture, other than moneys on deposit in the Purchase Fund, shall be invested by the Bond Trustee, upon written direction of the Getty Trust, solely in Investment Securities. Investment Securities shall be purchased at such prices as the Getty Trust may direct. All Investment Securities shall be acquired subject to the limitations set forth in Section 6.06, the limitations as to maturities hereinafter in this Section set forth and such additional limitations or requirements consistent with the foregoing as may be established by Request of the Getty Trust. No Request of the Getty Trust shall impose any duty on the Bond Trustee inconsistent with its responsibilities hereunder. In the absence of directions from the Getty Trust, the Bond Trustee shall invest in Investment Securities specified in clause (9) of the definition thereof in Section 1.01.

Moneys in all funds and accounts shall be invested in Investment Securities maturing not later than the date on which it is estimated that such moneys will be required for the purposes specified in this Bond Indenture.

All interest, profits and other income received from the investment of moneys in the Redemption Fund and the Rebate Fund shall be deposited when received in each such fund. All interest, profits and other income received from the investment of moneys in any other fund or account established pursuant to this Bond Indenture shall be deposited when received (1) prior to the delivery of the Certificate of the Getty Trust required by Section 3.04(C), in the Project Fund, and (2) thereafter, in the Revenue Fund. Notwithstanding anything to the contrary contained in this paragraph, an amount of interest received with respect to any Investment Security equal to the amount of accrued interest, if any, paid as part of the purchase price of such Investment Security shall be credited to the fund or account for the credit of which such Investment Security was acquired.

Investment Securities acquired as an investment of moneys in any fund or account established under this Bond Indenture shall be credited to such fund or account. For the purpose of determining the amount in any such fund or account all Investment Securities credited to such fund or account shall be valued by the Bond Trustee at their market value and marked to market at least once each year on or before April 1. Registrable Investment Securities shall be registered in the name of the Bond Trustee. In making any valuations of investments hereunder, the Bond Trustee may utilize and rely on computerized securities pricing services that are available to it, including those available through its regular accounting system.

The Bond Trustee may commingle any of the funds or accounts established pursuant to this Bond Indenture (other than the Purchase Fund and the Rebate Fund) into a separate fund or funds for investment purposes only, provided that all funds or accounts held by the Bond Trustee hereunder shall be accounted for separately as required by this Bond Indenture. The Bond Trustee or its affiliates may act as sponsor, depository, advisor, principal or agent in the making or disposing of any investment. The Bond Trustee is hereby authorized, in making or
disposing of any investment permitted by this Section, to deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Bond Trustee or for any third person or dealing as principal for its own account. The Bond Trustee may sell at the best price reasonably obtainable by it, or present for redemption, any Investment Securities so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such Investment Security is credited, and, subject to the provisions of Section 8.03, the Bond Trustee shall not be liable or responsible for any loss resulting from any investment made in accordance with provisions of this Section 5.07. The Bond Trustee shall not be responsible for any tax, fee or other charge in connection with any investment, reinvestment or the liquidation thereof.

The parties hereto acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Getty Trust the right to receive brokerage confirmations of security transactions as they occur, the Getty Trust specifically waives receipt of such confirmations to the extent permitted by law. The Bond Trustee will furnish the Getty Trust with monthly account statements detailing all funds and accounts and investment transactions made by the Bond Trustee hereunder.

ARTICLE VI

PARTICULAR COVENANTS

SECTION 6.01. Punctual Payment. The Issuer shall punctually cause to be paid the principal or Redemption Price and interest to become due in respect of all the Bonds, in strict conformity with the terms of the Bonds and of this Bond Indenture, according to the true intent and meaning thereof, but only out of Revenues and other assets pledged for such payment as provided in this Bond Indenture.

SECTION 6.02. Extension of Payment of Bonds. The Issuer shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Bond Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which shall not have been so extended. Nothing in this Section shall be deemed to limit the right of the Issuer to issue obligations for the purpose of refunding any Outstanding Bonds, and such issuance shall not be deemed to constitute an extension of maturity of the Bonds.

SECTION 6.03. Against Encumbrances. The Issuer shall not create any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under this Bond Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by this Bond Indenture, and will assist the Bond Trustee in contesting any such pledge, lien, charge or other encumbrance which may be created. Subject to this limitation, the Issuer expressly reserves the right to enter into one or more other indentures for any of its authorized
purposes and programs under the Act, and reserves the right to issue other obligations for such purposes.

SECTION 6.04. Power to Issue Bonds and Make Pledge and Assignment. The Issuer is duly authorized pursuant to the Act to issue the Bonds and to enter into this Bond Indenture and to pledge and assign the Revenues and other assets purported to be pledged and assigned, respectively, under this Bond Indenture in the manner and to the extent provided in this Bond Indenture. The Bonds and the provisions of this Bond Indenture are and will be the legally binding limited obligations of the Issuer in accordance with their terms, and the Issuer and Bond Trustee shall at all times, to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bondholders under this Bond Indenture against all claims and demands of all Persons whomsoever.

SECTION 6.05. Accounting Records and Financial Statements.

(A) The Bond Trustee shall at all times keep, or cause to be kept, proper books of record and account prepared in accordance with corporate trust accounting standards, in which complete and accurate entries shall be made of all transactions relating to the receipt, investment, disbursement, allocation and application of the proceeds of the Bonds, the Revenues, the Loan Agreement and all funds and accounts established pursuant to this Bond Indenture. Such books of record and account shall be available for inspection by the Issuer, the Getty Trust and any Bondholder, or his or her agent or representative duly authorized in writing, at reasonable hours and under reasonable circumstances.

(B) The Bond Trustee shall file and furnish to each Bondholder who shall have filed his name and address with the Bond Trustee for such purpose (1) a copy of the most recent audited financial statements furnished to the Bond Trustee pursuant to the Loan Agreement, and (2) within thirty days after the end of each month, a complete financial statement (which need not be audited and may be its regular account statements) covering receipts, disbursements, allocation and application of Revenues and any other moneys (including proceeds of Bonds) in any of the funds and accounts established pursuant to this Bond Indenture for such month; provided that the Bond Trustee shall not be obligated to deliver an accounting for any fund or account that has a balance of $0.00 and has not had any activity since the last reporting. The Bond Trustee shall also furnish a copy of its monthly statement to the Getty Trust and, upon written request of the Issuer, to the Issuer.

SECTION 6.06. Tax Covenants. The Issuer shall at all times do and perform all acts and things permitted by law and this Bond Indenture which are necessary or desirable in order to assure that interest paid on the Bonds (or any of them) will be excluded from gross income for federal income tax purposes and shall take no action that would result in such interest not being so excluded. Without limiting the generality of the foregoing, the Issuer agrees to comply with the provisions of the Tax Agreement. This covenant shall survive payment in full or defeasance of the Bonds.

SECTION 6.07. Amendment of Loan Agreement. The Issuer shall not amend, modify or terminate any of the terms of the Loan Agreement, or consent to any such amendment, modification or termination, without the written consent of the Bond Trustee (such consent not to
be unreasonably withheld). The Bond Trustee shall give such written consent only if (1) in the opinion of the Bond Trustee (which may be based on an Opinion of Bond Counsel upon which the Bond Trustee may rely) such amendment, modification or termination will not materially adversely affect the interests of the Bondholders or result in any material impairment of the security hereby given for the payment of the Bonds, or (2) the Bond Trustee first obtains the written consent of the Holders of a majority in principal amount of the Bonds then Outstanding to such amendment, modification or termination, provided that no such amendment, modification or termination shall reduce the amount of Loan Repayments to be made to the Issuer or the Bond Trustee by the Getty Trust pursuant to the Loan Agreement, or extend the time for making such payments, without the written consent of all of the Holders of the Bonds then Outstanding.

SECTION 6.08. Enforcement of Loan Agreement. The Bond Trustee shall promptly collect all amounts due from the Getty Trust pursuant to the Loan Agreement and shall perform all duties imposed upon it pursuant to the Loan Agreement and subject to the provisions of this Bond Indenture, shall enforce, and take all steps, actions and proceedings reasonably necessary for the enforcement of all of the rights of the Issuer assigned to it hereunder and all of the obligations of the Getty Trust relating thereto.

SECTION 6.09. Waiver of Laws. The Issuer shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension of any law now or at any time hereafter in force that may affect the covenants and agreements contained in this Bond Indenture or in the Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by the Issuer to the extent permitted by law.

SECTION 6.10. Further Assurances. The Issuer will make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably necessary and proper to carry out the intention or to facilitate the performance of this Bond Indenture and for the better assuring and confirming unto the Holders of the Bonds of the rights and benefits provided in this Bond Indenture.

SECTION 6.11. Continuing Disclosure. So long as the Bonds are in a Daily Mode, a Weekly Mode, or a Commercial Paper Mode, the Getty Trust shall have no continuing disclosure obligation with respect to the Bonds. Otherwise, pursuant to Section 5.8 of the Loan Agreement, the Getty Trust has covenanted to comply with any continuing disclosure agreement. Pursuant to Section 5.8 of the Loan Agreement, the Getty Trust has undertaken all responsibility for compliance with continuing disclosure requirements, and the Issuer shall have no liability to the Holders of the Bonds or any other person with respect to S.E.C. Rule 15c2-12. The Bond Trustee hereby covenants and agrees that it will comply with and carry out all of the provisions of the continuing disclosure agreement and Section 5.8 of the Loan Agreement. Notwithstanding any other provision of this Bond Indenture, failure of the Getty Trust or the Bond Trustee to comply with the continuing disclosure agreement shall not constitute an Event of Default; however, the Bond Trustee may (and, at the request of any participating underwriter) or the Holders of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds, shall, but only to the extent funds in an amount satisfactory to the Bond Trustee have been provided to it or it has otherwise been indemnified to its satisfaction from any cost, liability, expense or additional charges of the Bond Trustee, including attorney's fees) or any Holder or beneficial owner may take such actions as may be necessary and appropriate, including seeking
mandate or specific performance by court order, to cause the Getty Trust to comply with its obligations under Section 5.8 of the Loan Agreement or to cause the Bond Trustee to comply with its obligations under this Section 6.11.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES OF BONDHOLDERS

SECTION 7.01. Events of Default. The following events shall be Events of Default:

(A) default in the due and punctual payment of the principal, Redemption Price or Purchase Price of any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption, by acceleration or otherwise, or default in the redemption of any Bonds from Mandatory Sinking Account Payments in the amounts and at the times provided therefor;

(B) default in the due and punctual payment of any interest on any Bond when and as such interest shall become due and payable;

(C) default by the Issuer in the observance of any of the other covenants, agreements or conditions on its part in this Bond Indenture or in the Bonds contained, if such default shall have continued for a period of sixty (60) days after written notice thereof, specifying such default and requiring the same to be remedied, shall have been given to the Issuer, the Liquidity Facility Provider and the Getty Trust by the Bond Trustee, or to the Issuer, the Getty Trust and the Bond Trustee by the Holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds at the time Outstanding; or

(D) a Loan Default Event.

Upon a Responsible Officer's actual knowledge of the existence of any Event of Default, the Bond Trustee shall notify the Getty Trust, the Liquidity Facility Provider and the Issuer in writing as soon as practicable, but in any event within five (5) Business Days; provided, however, that the Bond Trustee need not provide notice of any Loan Default Event if the Getty Trust has expressly acknowledged the existence of such Loan Default Event in a writing delivered to the Bond Trustee, the Liquidity Facility Provider (if any) and the Issuer.

SECTION 7.02. Acceleration of Maturities. If an Event of Default shall occur, then, and in each and every such case during the continuance of such Event of Default, the Bond Trustee may, upon notice in writing to the Issuer and the Getty Trust, declare the principal of the Bonds, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Bond Indenture or in the Bonds contained to the contrary notwithstanding.

Any such declaration, however, is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, there shall be deposited with the Bond Trustee a sum sufficient to pay all the principal, Redemption Price or Purchase Price of and interest on the Bonds payment
of which is overdue, with interest on such overdue principal at the rates borne by the respective Bonds, and the reasonable charges and expenses of the Bond Trustee, and any and all other defaults known to the Bond Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Bond Trustee or provision deemed by the Bond Trustee to be adequate shall have been made therefor, then, and in every such case, the Bond Trustee shall, on behalf of the Holders of all Bonds, by written notice to the Issuer, the Liquidity Facility Provider (if any) and the Getty Trust, rescind and annul such declaration and its consequences and waive such default; but no such rescission and annulment shall extend to or shall affect any subsequent default, or shall impair or exhaust any right or power consequent thereon.

SECTION 7.03. Application of Revenues and Other Funds After Default.

If an Event of Default shall occur and be continuing, all Revenues and any other funds then held or thereafter received by the Bond Trustee under any of the provisions of this Bond Indenture (subject to Section 11.10 and other than moneys required to be deposited in the Rebate Fund or the Purchase Fund) shall be applied by the Bond Trustee as follows and in the following order:

(A) To the payment of any expenses necessary in the opinion of the Bond Trustee to protect the interests of the Holders of the Bonds and payment of reasonable fees and expenses of the Bond Trustee (including reasonable fees and disbursements of its counsel) incurred in and about the performance of its powers and duties under this Bond Indenture; and

(B) To the payment of the principal or Redemption Price of and interest then due on the Bonds (upon presentation of the Bonds to be paid, and stamping thereon of the payment if only partially paid, or surrender thereof if fully paid) subject to the provisions of this Bond Indenture (including Section 6.02), as follows:

(1) Unless the principal of all of the Bonds shall have become or have been declared due and payable,

First: To the payment to the Persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the Persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the Persons entitled thereto of the unpaid principal (including Mandatory Sinking Account Payments) or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, with interest on the overdue principal at the rate borne by the respective Bonds, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any date, together with such interest, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date to the Persons entitled thereto, without any discrimination or preference.
(2) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds, with interest on the overdue principal at the rate borne by the respective Bonds, and, if the amount available shall not be sufficient to pay in full the whole amount so due and unpaid, then to the payment thereof ratably, without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, according to the amounts due respectively for principal and interest, to the Persons entitled thereto without any discrimination or preference.

SECTION 7.04. Bond Trustee to Represent Bondholders. The Bond Trustee is hereby irrevocably appointed (and the successive respective Holders of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Bond Trustee) as trustee and true and lawful attorney-in-fact of the Holders of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Holders under the provisions of the Bonds, this Bond Indenture, the Loan Agreement, the Act and applicable provisions of any other law. Upon the occurrence and continuance of an Event of Default or other occasion giving rise to a right in the Bond Trustee to represent the Bondholders, the Bond Trustee in its discretion may, and upon the written request of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding, and upon being indemnified to its satisfaction therefor, shall, proceed to protect or enforce its rights or the rights of such Holders by such appropriate action, suit, mandamus or other proceedings as it shall deem most effectual to protect and enforce any such right, at law or in equity, either for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or for the enforcement of any other appropriate legal or equitable right or remedy vested in the Bond Trustee, or in such Holders under this Bond Indenture, the Loan Agreement, the Act or any other law; and upon instituting such proceeding, the Bond Trustee shall be entitled, as a matter of right, to the appointment of a receiver of the Revenues and other assets pledged under this Bond Indenture, pending such proceedings. If more than one such request is received by the Bond Trustee from the Holders, the Bond Trustee shall follow the written request executed by the Holders of the greater percentage of Bonds then Outstanding in excess of twenty-five percent (25%). All rights of action under this Bond Indenture or the Bonds or otherwise may be prosecuted and enforced by the Bond Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Bond Trustee shall be brought in the name of the Bond Trustee for the benefit and protection of all the Holders of such Bonds, subject to the provisions of this Bond Indenture (including Section 6.02).

SECTION 7.05. Bondholders' Direction of Proceedings. The Holders of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Bond Trustee, and upon indemnifying the Bond Trustee to its satisfaction therefor, to direct the method of conducting all remedial proceedings taken by the Bond Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law and the provisions of this Bond Indenture, and that the Bond Trustee shall have the right to decline to follow any such direction which in the opinion of the Bond Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

-81-
SECTION 7.06. Limitation on Bondholders’ Right to Sue. No Holder of any Bond shall have the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Bond Indenture, the Loan Agreement, the Act or any other applicable law with respect to such Bond, unless (1) such Holder shall have given to the Bond Trustee written notice of the occurrence of an Event of Default; (2) the Holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have made written request upon the Bond Trustee to exercise the powers hereinafore granted or to institute such suit, action or proceeding in its own name; provided, however, that if more than one such request is received by the Bond Trustee from the Holders, the Bond Trustee shall follow the written request executed by the Holders of the greater percentage of Bonds then Outstanding in excess of twenty-five percent (25%); (3) such Holder or said Holders shall have tendered to the Bond Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; and (4) the Bond Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Bond Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Holder of Bonds of any remedy hereunder or under law; it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Bond Indenture or the rights of any other Holders of Bonds, or to enforce any right under this Bond Indenture, the Loan Agreement, the Act or other applicable law with respect to the Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Holders of the Outstanding Bonds, subject to the provisions of this Bond Indenture (including Section 6.02).

SECTION 7.07. Absolute Obligation of Issuer. Nothing in Section 7.06 or in any other provision of this Bond Indenture, or in the Bonds, shall affect or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal or Redemption Price of and interest on the Bonds to the respective Holders of the Bonds at their respective dates of maturity, or upon call for redemption, as herein provided, but only out of the Revenues and other assets herein pledged therefor, and not otherwise, or affect or impair the right of such Holders, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

SECTION 7.08. Termination of Proceedings. In case any proceedings taken by the Bond Trustee or any one or more Bondholders on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Bond Trustee or the Bondholders, then in every such case the Issuer, the Bond Trustee and the Bondholders, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Issuer, the Bond Trustee and the Bondholders shall continue as though no such proceedings had been taken.
SECTION 7.09. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Bond Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

SECTION 7.10. No Waiver of Default. No delay or omission of the Bond Trustee or of any Holder of the Bonds to exercise any right or power arising upon the occurrence of any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Bond Indenture to the Bond Trustee or to the Holders of the Bonds may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VIII

THE BOND TRUSTEE

SECTION 8.01. Duties, Immunities and Liabilities of Bond Trustee.

(A) The Bond Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Bond Indenture, and, except to the extent required by law, no implied covenants or obligations shall be read into this Bond Indenture against the Bond Trustee. The Bond Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Bond Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person’s own affairs.

(B) The Issuer may, and upon written request of the Getty Trust, shall, remove the Bond Trustee at any time unless an Event of Default shall have occurred and then be continuing, and shall remove the Bond Trustee if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or if at any time the Bond Trustee shall cease to be eligible in accordance with subsection (E) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Bond Trustee or its property shall be appointed, or any public officer shall take control or charge of the Bond Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Bond Trustee, and thereupon shall appoint, with the written consent of the Getty Trust (which consent shall not be unreasonably withheld), a successor Bond Trustee by an instrument in writing.

(C) The Bond Trustee may at any time resign by giving written notice of such resignation to the Issuer, the Getty Trust and the Liquidity Facility Provider (if any) and by giving the Bondholders notice of such resignation by mail at the addresses shown on the registration books maintained by the Bond Trustee. Upon receiving such notice of resignation, the Issuer shall promptly appoint, with the written consent of the Getty Trust (which consent
shall not be unreasonably withheld), a successor Bond Trustee by an instrument in writing. The Bond Trustee shall not be relieved of its duties until such successor Bond Trustee has accepted appointment.

(D) Any removal or resignation of the Bond Trustee and appointment of a successor Bond Trustee shall become effective upon acceptance of appointment by the successor Bond Trustee. If no successor Bond Trustee shall have been appointed and have accepted appointment within thirty (30) days of giving notice of removal or notice of resignation as aforesaid, the resigning Bond Trustee or any Bondholder (on behalf of himself and all other Bondholders) may petition any court of competent jurisdiction for the appointment of a successor Bond Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Bond Trustee. Any successor Bond Trustee appointed under this Bond Indenture, shall signify its acceptance of such appointment by executing and delivering to the Issuer and to its predecessor Bond Trustee a written acceptance thereof; and thereupon such successor Bond Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Bond Trustee, with like effect as if originally named Bond Trustee herein; but, nevertheless at the request of the successor Bond Trustee, such predecessor Bond Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Bond Trustee all the right, title and interest of such predecessor Bond Trustee in and to any property held by it under this Bond Indenture and shall pay over, transfer, assign and deliver to the successor Bond Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Bond Trustee, the Issuer shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Bond Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Bond Trustee as provided in this subsection, the Issuer shall mail or cause to be mailed (at the expense of the Getty Trust) a notice of the succession of such Bond Trustee to the trusts hereunder to the Bondholders at the addresses shown on the registration books maintained by the Bond Trustee. If the Issuer fails to mail such notice within fifteen (15) days after acceptance of appointment by the successor Bond Trustee, the successor Bond Trustee shall cause such notice to be mailed at the expense of the Getty Trust.

(E) Any successor Bond Trustee shall be a trust company or bank having trust powers having a corporate trust office in the State of California, having a combined capital and surplus of (or if such trust company or bank is a member of a bank holding system, its bank holding company shall have a combined capital and surplus of) at least fifty million dollars ($50,000,000), and subject to supervision or examination by federal or State of California authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Bond Trustee shall cease to be eligible in accordance with the provisions of this subsection (E), the Bond Trustee shall resign immediately in the manner and with the effect specified in this Section.
SECTION 8.02. Merger or Consolidation. Any company into which the Bond Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Bond Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under subsection (E) of Section 8.01, shall be the successor to such Bond Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

SECTION 8.03. Liability of Bond Trustee.

(A) The Bond Trustee assumes no responsibility for the correctness of the recitals of fact herein except as they specifically apply to the Bond Trustee, and makes no representations as to the validity or sufficiency of this Bond Indenture, of the Loan Agreement or of the Bonds, nor shall the Bond Trustee incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Bonds assigned to or imposed upon it except for any recital or representation specifically relating to the Bond Trustee or its powers. The Bond Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Bond Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

(B) The Bond Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bond Trustee was negligent in ascertaining the pertinent facts.

(C) The Bond Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority (or such lesser number as this Bond Indenture may permit to direct the Bond Trustee) in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Bond Trustee, or exercising any trust or power conferred upon the Bond Trustee under this Bond Indenture.

(D) The Bond Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Bond Indenture at the request, order or direction of any of the Bondholders pursuant to the provisions of this Bond Indenture unless such Bondholders shall have offered to the Bond Trustee indemnity against the costs, expenses and liabilities which may be incurred therein or thereby. The Bond Trustee has no obligation or liability to the Holders for the payment of interest on, principal of or redemption premium, if any, with respect to the Bonds from its own funds; but rather the Bond Trustee's obligations shall be limited to the performance of its duties hereunder.

(E) Except with respect to Events of Default specified in Section 7.01(A) or (B) hereof, the Bond Trustee shall not be deemed to have knowledge of any Event of Default unless and until a Responsible Officer shall have actual knowledge thereof or the Bond Trustee shall have received written notice thereof at the Designated Office. The Bond Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it.
(F) The Bond Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through attorneys-in-fact, agents or receivers, and shall not be answerable for the negligence or misconduct of any such attorney-in-fact, agent or receiver selected by it with due care. The Bond Trustee shall be entitled to advice of counsel and other professionals concerning all matters of trust and its duty hereunder, but the Bond Trustee shall not be answerable for the professional malpractice of any attorney-at-law or certified public accountant in connection with the rendering of his professional advice in accordance with the terms of this Bond Indenture, if such attorney-at-law or certified public accountant was selected by the Bond Trustee with due care.

(G) The Bond Trustee shall not be concerned with or accountable to anyone for the subsequent use or application of any moneys that shall be released or withdrawn in accordance with the provisions hereof.

(H) Whether or not therein expressly so provided, every provision of this Bond Indenture, the Loan Agreement or related documents relating to the conduct or affecting the liability of or affording protection to the Bond Trustee shall be subject to the provision of this Article.

(I) The Bond Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

SECTION 8.04. Right of Bond Trustee to Rely on Documents. The Bond Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, statement, requisition, facsimile transmission, electronic mail or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Bond Trustee may consult with counsel, who may be counsel of or to the Issuer, with regard to legal questions, and the opinion or written advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

The Bond Trustee shall not be bound to recognize any Person as the Holder of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is satisfactorily established, if disputed.

Whenever in the administration of the trusts imposed upon it by this Bond Indenture the Bond Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Certificate of the Issuer, and such Certificate shall be full warrant to the Bond Trustee for any action taken or suffered in good faith under the provisions of this Bond Indenture in reliance upon such Certificate, but in its discretion the Bond Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable.
SECTION 8.05. Preservation and Inspection of Documents. All documents received by the Bond Trustee under the provisions of this Bond Indenture shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Issuer, the Getty Trust, the Liquidity Facility Provider (if any) and any Bondholder, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

SECTION 8.06. Compensation and Indemnification. The Issuer shall pay to the Bond Trustee (solely from those Additional Payments provided for in Section 3.2(b) of the Loan Agreement) from time to time reasonable compensation for all services rendered under this Bond Indenture, and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys, agents and employees, incurred in and about the performance of its powers and duties under this Bond Indenture.

No provision of this Bond Indenture shall require the Bond Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of its rights or powers, if it has not received the agreed compensation for such services or, in cases where the Bond Trustee has a right to reimbursement or indemnification for such performance or exercise, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The Issuer further covenants and agrees to indemnify and save harmless (but solely from those Additional Payments provided for in Section 3.2(b) of the Loan Agreement) the Bond Trustee, and its officers, directors, employees, and agents against any loss, expense and liabilities that it may incur arising out of or in connection with (1) the exercise and performance of the Bond Trustee’s powers and duties hereunder or (2) the sale of any Bonds and the carrying out of any of the transactions contemplated by the Bonds, the Loan Agreement or related documents, including the costs and expenses of defending against any claim of liability, but excluding liabilities that are due to the Bond Trustee’s negligence or willful misconduct, provided that the Issuer’s obligation under this Section shall be limited to Additional Payments (as defined in Section 3.2(b) of the Loan Agreement) received from the Getty Trust. The obligations of the Issuer under this Section shall survive resignation or removal of the Bond Trustee under this Bond Indenture and payment of the Bonds and discharge of this Bond Indenture.

SECTION 8.07. Notice to Rating Agency. The Bond Trustee shall give written notice to each Rating Agency then rating the Bonds if (i) a successor Bond Trustee is appointed hereunder, (ii) if this Bond Indenture or the Loan Agreement is amended or supplemented in any material manner, (iii) if the Bonds are paid and this Bond Indenture defeased pursuant to Section 10.01, (iv) if the Bonds are accelerated pursuant to Section 7.02, or (v) if the Bonds are redeemed in whole or in part pursuant to Section 4.01, provided that the Bond Trustee shall incur no liability for failure to give any such notice.
ARTICLE IX

MODIFICATION OR AMENDMENT OF THE BOND INDENTURE

SECTION 9.01. Amendments Permitted.

(A) This Bond Indenture and the rights and obligations of the Issuer and of the Holders of the Bonds and of the Bond Trustee may be modified or amended from time to time and at any time by an indenture or indentures supplemental hereto, which the Issuer and the Bond Trustee may enter into when both (i) the written consent of the Holders of a majority in aggregate principal amount of the Bonds then Outstanding and (ii) an Opinion of Bond Counsel to the effect that such amendment or modification will not cause interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes, shall have been filed with the Bond Trustee. No such modification or amendment shall (1) extend the fixed maturity of any Bond, or reduce the amount of principal thereof, or extend the time of payment or reduce the amount of any Mandatory Sinking Account Payment, or reduce the rate of interest thereon, or extend the time of payment of interest thereon, or reduce any premium payable upon the redemption thereof, without the consent of the Holder of each Bond so affected, or (2) reduce the aforesaid percentage of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or permit the creation of any lien on the Revenues and other assets pledged under this Bond Indenture prior to or on a parity with the lien created by this Bond Indenture, or deprive the Holders of the Bonds of the lien created by this Bond Indenture on such Revenues and other assets (except as expressly provided in this Bond Indenture), without the consent of the Holders of all Bonds then Outstanding. It shall not be necessary for the consent of the Bondholders to approve the particular form of any Supplemental Bond Indenture, but it shall be sufficient if such consent shall approve the substance thereof. Promptly after the execution by the Issuer and the Bond Trustee of any Supplemental Bond Indenture pursuant to this subsection (A), the Bond Trustee shall mail a notice, setting forth in general terms the substance of such Supplemental Bond Indenture to the Bondholders at the addresses shown on the registration books maintained by the Bond Trustee. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Bond Indenture.

(B) This Bond Indenture and the rights and obligations of the Issuer, of the Bond Trustee and of the Holders of the Bonds may also be modified or amended from time to time and at any time by an indenture or indentures supplemental hereto, which the Issuer and the Bond Trustee may enter into without the necessity of obtaining the consent of any Bondholders, but only upon receipt by the Bond Trustee of an Opinion of Bond Counsel to the effect that such amendment or modification will not cause interest on the Bonds to be included in the gross income of the Holders thereof for federal income tax purposes, and only to the extent permitted by law and only for any one or more of the following purposes:

(1) to add to the covenants and agreements of the Issuer contained in this Bond Indenture other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Issuer, provided, that no such

-88-
covenant, agreement, pledge, assignment or surrender shall materially adversely affect the interests of the Holders of the Bonds;

(2) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision, contained in this Bond Indenture, or in regard to matters or questions arising under this Bond Indenture, as the Issuer or the Bond Trustee may deem necessary or desirable and not inconsistent with this Bond Indenture, and which shall not materially adversely affect the interests of the Holders of the Bonds;

(3) to modify, amend or supplement this Bond Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute, and which shall not materially adversely affect the interests of the Holders of the Bonds (provided, however, that such modifications, amendments, supplements and additions shall be permitted under this subsection (B) of Section 9.01 only if qualification under said act or similar federal statute is required by applicable law now or hereafter in effect);

(4) to provide any additional procedures, covenants or agreements to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds; or

(5) upon a mandatory purchase of all of the Bonds in accordance with the terms hereof, any change.

(C) The Bond Trustee may in its discretion, but shall not be obligated to, enter into any such Supplemental Bond Indenture authorized by subsections (A) or (B) of this Section which materially adversely affects the Bond Trustee’s own rights, duties or immunities under this Bond Indenture or otherwise.

SECTION 9.02. Effect of Supplemental Indenture. Upon the execution of any Supplemental Bond Indenture pursuant to this Article, this Bond Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Bond Indenture of the Issuer, the Bond Trustee and all Holders of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Bond Indenture shall be deemed to be part of the terms and conditions of this Bond Indenture for any and all purposes.

SECTION 9.03. Endorsement of Bonds; Preparation of New Bonds. Bonds delivered after the execution of any Supplemental Bond Indenture pursuant to this Article may, and if the Issuer so determines shall, bear a notation by endorsement or otherwise in form approved by the Issuer and the Bond Trustee as to any modification or amendment provided for in such Supplemental Bond Indenture, and, in that case, upon demand of the Holder of any Bond Outstanding at the time of such execution and presentation of such Bond for the purpose at the Designated Office of the Bond Trustee or at such additional offices as the Bond Trustee may
select and designate for that purpose, a suitable notation shall be made on such Bond. If the Supplemental Bond Indenture shall so provide, new Bonds so modified as to conform, in the opinion of the Issuer (which may be based on an Opinion of Bond Counsel, in the sole discretion of the Issuer), to any modification or amendment contained in such Supplemental Bond Indenture, shall be prepared by the Bond Trustee at the expense of the Getty Trust, executed by the Issuer and authenticated by the Bond Trustee, and upon demand of the Holders of any Bonds then Outstanding shall be exchanged at the Designated Office of the Bond Trustee, without cost to any Bondholder, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amounts of the same maturity.

SECTION 9.04. Amendment of Particular Bonds. The provisions of this Article shall not prevent any Bondholder from accepting any amendment as to the particular Bonds held by him, provided that due notation thereof is made on such Bonds.

ARTICLE X

DEFEASANCE

SECTION 10.01. Discharge of Indenture. The Bonds may be paid by the Issuer or the Bond Trustee on behalf of the Issuer in any of the following ways:

(A) by paying or causing to be paid the principal or Redemption Price of and interest on all Bonds Outstanding, as and when the same become due and payable;

(B) by depositing with the Bond Trustee, in trust, at or before maturity, moneys or securities in the necessary amount (as provided in Section 10.03) to pay when due or redeem all Bonds then Outstanding; or

(C) by delivering to the Bond Trustee, for cancellation by it, all Bonds then Outstanding.

If the Issuer shall also pay or cause to be paid all other sums payable hereunder by the Issuer, then and in that case at the election of the Issuer (evidenced by a Certificate of the Issuer filed with the Bond Trustee signifying the intention of the Issuer to discharge all such indebtedness and this Bond Indenture and upon receipt by the Bond Trustee of an Opinion of Counsel to the effect that the obligations under this Bond Indenture and the Bonds have been discharged), and notwithstanding that any Bonds shall not have been surrendered for payment, this Bond Indenture and the pledge of Revenues and other assets made under this Bond Indenture and all covenants, agreements and other obligations of the Issuer under this Bond Indenture (except as otherwise provided in Section 5.06 and Section 8.06) shall cease, terminate, become void and be completely discharged and satisfied. In such event, upon the request of the Issuer, the Bond Trustee shall cause an accounting for such period or periods as may be requested by the Issuer to be prepared and filed with the Issuer and shall execute and deliver to the Issuer all such instruments as may be necessary to evidence such discharge and satisfaction, and the Bond Trustee shall pay over, transfer, assign or deliver to the Getty Trust all moneys or securities or other property held by it pursuant to this Bond Indenture which are not required for the payment
or redemption of Bonds not theretofore surrendered for such payment or redemption; provided
that in all events moneys in the Rebate Fund shall be subject to the provisions of Section 5.06.

SECTION 10.02. Discharge of Liability on Bonds. Upon the deposit with the
Bond Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as
provided in Section 10.03) to pay or redeem any Outstanding Bond (whether upon or prior to its
maturity or the redemption date of such Bond), provided that, if such Bond is to be redeemed
prior to maturity, notice of such redemption shall have been given as in Article IV provided or
provision satisfactory to the Bond Trustee shall have been made for the giving of such notice,
then all liability of the Issuer in respect of such Bond shall cease, terminate and be completely
discharged, except only that thereafter the Holder thereof shall be entitled to payment of the
principal of, premium, if any, and interest on such Bond by the Issuer, and the Issuer shall
remain liable for such payments, but only out of such money or securities deposited with the
Bond Trustee as aforesaid for their payment, subject, however, to the provisions of
Section 10.04.

The Issuer may at any time surrender to the Bond Trustee for cancellation by it
any Bonds previously issued and delivered, which the Issuer may have acquired in any manner
whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid
and retired.

SECTION 10.03. Deposit of Money or Securities with Bond Trustee. Whenever
in this Bond Indenture it is provided or permitted that there be deposited with or held in trust by
the Bond Trustee money or securities in the necessary amount to pay or redeem any Bonds, the
money or securities so to be deposited or held may include money or securities held by the Bond
Trustee in the funds and accounts established pursuant to this Bond Indenture (other than the
Purchase Fund or the Rebate Fund) and shall be:

(A) lawful money of the United States of America in an amount equal to the
principal amount of such Bonds and all unpaid interest thereon to maturity (based on an assumed
interest rate of 12% per annum for periods for which the actual interest rate in not known),
except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of
which notice of such redemption shall have been given as in Article IV provided or provision
satisfactory to the Bond Trustee shall have been made for the giving of such notice, the amount
to be deposited or held shall be the principal amount or Redemption Price of such Bonds and all
unpaid interest thereon (based on an assumed interest rate of 12% per annum for periods for
which the actual interest rate in not known) to the redemption date; or

(B) Investment Securities described in clause (1)(a) of the definition thereof in
Section 1.01 (not callable by the issuer thereof prior to maturity), the principal of and interest on
which when due will provide money sufficient to pay the principal or Redemption Price of and
all unpaid interest to maturity, or to the redemption date, as the case may be, on the Bonds to be
paid or redeemed, as such principal or Redemption Price and interest become due (based on the
Maximum Interest Rate for periods for which the actual interest rate in not known); provided
that, in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such
redemption shall have been given as in Article IV provided or provision satisfactory to the Bond
Trustee shall have been made for the giving of such notice;
provided, in each case, that the Bond Trustee shall have been irrevocably instructed (by the terms of this Bond Indenture or by Request of the Issuer) to apply such money to the payment of such principal or Redemption Price and interest with respect to such Bonds.

SECTION 10.04. Payment of Bonds After Discharge of Bond Indenture. Notwithstanding any provisions of this Bond Indenture, any moneys held by the Bond Trustee in trust for the payment of the principal of, or interest on, any Bonds and remaining unclaimed for two years (or, if shorter, one day before such moneys would escheat to the State of California under then applicable California law) after such principal or interest, as the case may be, has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Bond Indenture), if such moneys were so held at such date, or two years (or, if shorter, one day before such moneys would escheat to the State of California under then applicable California law) after the date of deposit of such moneys if deposited after said date when all of the Bonds became due and payable, shall be repaid to the Getty Trust free from the trusts created by this Bond Indenture upon receipt of an indemnification agreement acceptable to the Issuer and the Bond Trustee indemnifying the Issuer and the Bond Trustee with respect to claims of Holders of Bonds or the United States government which have not yet been paid, and all liability of the Bond Trustee and the Issuer with respect to such moneys shall thereupon cease; provided, however, that before the repayment of such moneys to the Getty Trust as aforesaid, the Bond Trustee may (at the cost of the Getty Trust) first mail to the Holders of Bonds which have not yet been paid, at the addresses shown on the registration books maintained by the Bond Trustee, a notice, in such form as may be deemed appropriate by the Bond Trustee with respect to the Bonds so payable and not presented and with respect to the provisions relating to the repayment to the Getty Trust of the moneys held for the payment thereof.

ARTICLE XI

MISCELLANEOUS

SECTION 11.01. Liability of Issuer Limited to Revenues. Notwithstanding anything contained in this Bond Indenture, the Loan Agreement or in the Bonds, the Issuer shall not be required to advance any moneys derived from any source other than the Revenues and other assets pledged under this Bond Indenture for any of the purposes in this Bond Indenture mentioned, whether for the payment of the principal or Redemption Price of or interest on the Bonds or for any other purpose of this Bond Indenture.

SECTION 11.02. Successor is Deemed Included in All References to Predecessor. Whenever in this Bond Indenture either the Issuer or the Bond Trustee is named or referred to, such reference shall be deemed to include the successors or assigns thereof, and all the covenants and agreements in this Bond Indenture contained by or on behalf of the Issuer or the Bond Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

SECTION 11.03. Limitation of Rights to Parties, the Getty Trust and Bondholders. Nothing in this Bond Indenture or in the Bonds expressed or implied is intended or shall be construed to give to any Person other than the Issuer, the Bond Trustee, the Getty Trust and the Holders of the Bonds, any legal or equitable right, remedy or claim under or in
respect of this Bond Indenture or any covenant, condition or provision therein or herein contained; and all such covenants, conditions and provisions are and shall be held to be for the sole and exclusive benefit of the Issuer, the Bond Trustee, the Getty Trust and the Holders of the Bonds.

SECTION 11.04. Waiver of Notice. Whenever in this Bond Indenture the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the Person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 11.05. Destruction of Bonds. Whenever in this Bond Indenture provision is made for the cancellation by the Bond Trustee and the delivery to the Issuer of any Bonds, the Bond Trustee shall, in lieu of such cancellation and delivery, destroy such Bonds.

SECTION 11.06. Severability of Invalid Provisions. If any one or more of the provisions contained in this Bond Indenture or in the Bonds shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions contained in this Bond Indenture and such invalidity, illegality or unenforceability shall not affect any other provision of this Bond Indenture, and this Bond Indenture shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein.

SECTION 11.07. Notices. Any notice to or demand upon the Bond Trustee may be served or presented, and such demand may be made, at the Designated Office of the Bond Trustee or at such other address as may have been filed in writing by the Bond Trustee with the Issuer. Any notice to or demand upon the Issuer or the Getty Trust shall be deemed to have been sufficiently given or served for all purposes by being delivered or sent by confirmed facsimile transmission or by being deposited, postage prepaid, in a post office letter box, addressed, as the case may be:

1. If to the Issuer:

SECTION 11.08. Evidence of Rights of Bondholders. Any request, consent or other instrument required or permitted by this Bond Indenture to be signed and executed by Bondholders may be in any number of concurrent instruments of substantially similar tenor and shall be signed or executed by such Bondholders in Person or by an agent or agents duly appointed in writing.

The fact and date of the execution by any person of any such request, consent or other instrument or writing may be proved by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such request, consent or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer.

The ownership of Bonds shall be proved by the bond registration books held by the Bond Trustee.

Any request, consent, or other instrument or writing of the Holder of any Bond shall bind every future Holder of the same Bond and the Holder of every Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Bond Trustee or the Issuer in accordance therewith or reliance thereon.

SECTION 11.09. Disqualified Bonds. In determining whether the Holders of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Bond Indenture, Bonds which are known to the Bond Trustee to be owned or held by or for the account of the Issuer or the Getty Trust, or by any other obligor on the Bonds, or by any person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Issuer or the Getty Trust or any other obligor on the Bonds, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Bond Trustee the pledgee’s right to vote such Bonds and that the pledgee is not a person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Issuer or the Getty Trust or any other obligor on the Bonds. In case of a dispute as to such right, any decision by the Bond Trustee taken upon the advice of counsel selected by it with due care shall be full protection to the Bond Trustee.
SECTION 11.10. Money Held for Particular Bonds. The money held by the Bond Trustee for the payment of the interest, principal or Redemption Price due on any date with respect to particular Bonds (or portions of Bonds in the case of Bonds redeemed in part only) shall, on and after such date and pending such payment, be set aside on its books and held uninvested in trust by it for the Holders of the Bonds entitled thereto, subject, however, to the provisions of Section 10.04.

SECTION 11.11. Funds and Accounts. Any fund required by this Bond Indenture to be established and maintained by the Bond Trustee may be established and maintained in the accounting records of the Bond Trustee either as a fund or an account, and may, for the purposes of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account; but all such records with respect to all such funds shall at all times be maintained in accordance with customary standards of the corporate trust industry, to the extent practicable, and with due regard for the requirements of Section 6.05 and for the protection of the security of the Bonds and the rights of every Holder thereof. The Bond Trustee may establish such additional funds and accounts as it deems necessary or appropriate to perform its obligations hereunder.

SECTION 11.12. Waiver of Personal Liability. No member, officer, agent or employee of the Issuer shall be individually or personally liable for the payment of the principal of or premium, if any, or interest on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof or the performance of any duty hereunder; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law or by this Bond Indenture.

SECTION 11.13. Business Days. If any date specified herein shall not be a Business Day, any action required on such date may be made on the next succeeding Business Day with the same effect as if made on such date.

SECTION 11.14. Governing Law; Venue. This Bond Indenture shall be construed in accordance with and governed by the Constitution and the laws of the State of California applicable to contracts made and performed in the State of California. This Bond Indenture shall be enforceable in the State of California, and any action arising hereunder shall (unless waived by the Issuer) be filed and maintained in Sacramento County, Sacramento, California.

SECTION 11.15. Execution in Several Counterparts. This Bond Indenture may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the Issuer and the Bond Trustee shall preserve undestroyed, shall together constitute but one and the same instrument.

SECTION 11.16. Opinions of Bond Counsel. Whenever in this Bond Indenture it is required that prior to the taking of any action an opinion of nationally recognized bond counsel is required to be delivered to the effect that such action will not adversely affect the exclusion of the interest on the Bonds from gross income for federal income tax purposes, and such opinion is not given by Orrick, Herrington & Sutcliffe LLP, such opinion shall instead
affirmatively state, in a manner acceptable to the Issuer and the Bond Trustee, that interest on the Bonds is excluded from gross income for federal income tax purposes both before and after the action in question. This Section shall apply in the same fashion with respect to the affirmative opinion of any such successor bond counsel.

SECTION 11.17. Entire Agreement. This Bond Indenture constitutes the entire agreement of the parties hereto and is not subject to modification, amendment, qualification or limitation except as expressly provided herein.
IN WITNESS WHEREOF, the CALIFORNIA INFRASTRUCTURE AND ECONOMIC DEVELOPMENT BANK has caused this Bond Indenture to be signed in its name by its Executive Director and WELLS FARGO BANK, NATIONAL ASSOCIATION, in token of its acceptance of the trusts created hereunder, has caused this Bond Indenture to be signed in its corporate name by its duly authorized officer all as of the day and year first above written.

2. The Auction

2.1 Purpose; Incorporation by Reference of Auction Procedures and Settlement Procedures. (a) The Bond Indenture provides that the interest rate on the Bonds for each Auction Period after the initial Auction Period, except as provided in Section 2.18 thereof, shall equal the interest rate per annum that an Auction Agent appointed by the Getty Trust advises results from implementation of the Auction Procedures; provided that such interest rate shall not exceed 12% per annum. The Getty Trust has duly appointed [Auction Agent] as Auction Agent for purposes of the Auction Procedures and to perform such other obligations and duties as are herein set forth. The Auction Agent hereby accepts such appointment and agrees that, on each Auction Date, it will follow the procedures set forth in this Section 2 and the Auction Procedures for the purpose of, among other things, determining the Auction Rates for each Auction Period (other than the initial Auction Period). Each periodic operation of such procedures is hereinafter referred to as an "Auction."
(b) All of the provisions contained in the Auction Procedures and the Settlement Procedures are incorporated herein by reference in their entirety and shall be deemed to be a part hereof to the same extent as if such provisions were fully set forth herein.

2.2 Preparation for Each Auction: Maintenance of Registry of Existing Owners. (a)(i) The Auction Agent shall maintain a current registry of Persons, compiled as described below, that own Bonds that accrue interest at an Auction Rate (such registry being herein called the “Existing Holder Registry”). Such Persons shall constitute the Existing Holders for purposes of each Auction. The Auction Agent shall indicate in the Existing Holder Registry the identity of the respective Broker-Dealer of each Existing Holder, if any, on whose behalf such Broker-Dealer submitted the most recent Order in any Auction which resulted in such Existing Holder continuing to hold or purchasing a Bond. [_______________], as an initial Broker-Dealer, shall provide or cause to be provided to the Auction Agent on the Issue Date a list of the initial Existing Holders. The Auction Agent may conclusively rely upon, as evidence of the identities of the Existing Holders, such list, the results of each Auction and notices from any Existing Holder, the Agent Member of any Existing Holder or the Broker-Dealer of any Existing Holder as described in the first sentence of Section 2.2(a)(iii) hereof, and notices from the Broker-Dealers as described in Section 2.2(c).

(ii) The Getty Trust shall notify the Auction Agent in writing when any notice of redemption or mandatory tender is sent to DTC as Holder of Bonds not later than 11:00 a.m. on the date such notice is sent. In the event the Auction Agent receives from the Getty Trust written notice of any partial redemption or mandatory tender of any Bonds, the Auction Agent shall, at least three (3) Business Days prior to the redemption date or tender date with respect to such Bonds, request DTC to notify the Auction Agent of the identities of the Agent Members (and the respective principal amounts) from the accounts of which Bonds have been called for redemption or mandatory tender and the Person or department at such Agent Member to contact regarding such redemption or mandatory tender and, at least two Business Days prior to the redemption date or tender date with respect to Bonds being partially redeemed or called for tender, the Auction Agent shall request each Agent Member so identified to disclose to the Auction Agent (upon selection by such Agent Member of the Existing Holders whose Bonds are to be redeemed or tendered) the aggregate principal amount of such Bonds of each such Existing Holder, if any, to be redeemed by the Issuer or tendered; provided the Auction Agent has been furnished with the name and telephone number of a Person or department at such Agent Member from which it is to request such information. In the absence of receiving any such information with respect to an Existing Holder, from such Existing Holder’s Agent Member or otherwise, the Auction Agent may continue to treat such Existing Holder as the beneficial owner of the principal amount of Bonds shown in the Existing Holder Registry.

(iii) The Auction Agent shall register in the Existing Holder Registry a transfer of Bonds only if (A) such transfer is pursuant to an Auction or (B) if such transfer is made other than pursuant to an Auction, the Auction Agent has been notified in writing in a notice substantially in the form of Exhibit C to the Broker-Dealer Agreement, by the Existing Holder that is the transferor, the Agent Member of such Existing Holder or the Broker-Dealer of such Existing Holder, of such transfer. The
Auction Agent is not required to accept any notice of transfer delivered prior to an Auction unless it is received by the Auction Agent by 3:00 p.m. on the Business Day next preceding the applicable Auction Date. The Auction Agent shall rescind a transfer made on the Existing Holder Registry if the Auction Agent has been notified in writing by the Agent Member or the Broker-Dealer of any Person that (i) purchased any Bonds and the seller failed to deliver such Bonds or (ii) sold any Bonds and the purchaser failed to make payment to such Person upon delivery to the purchaser of such Bonds.

(iv) Not later than 12:00 noon on the Business Day preceding each Auction Date, the Auction Agent shall notify the Broker-Dealers of the aggregate principal amount of Bonds by telecopy or other mutually acceptable means; provided that the Auction Agent shall not be required to deliver such notice if there is no change in the amount of such Bonds from the immediately preceding notice.

(v) The Auction Agent may, but shall not be obligated to, request that the Broker-Dealers, as set forth in the Broker-Dealer Agreement, provide the Auction Agent with a list of their respective customers that such Broker-Dealers believe are Existing Holders of Bonds. The Auction Agent shall keep confidential any such information and shall not disclose any such information so provided to any Person other than the relevant Broker-Dealer, the Issuer and the Getty Trust; provided, however, that the Auction Agent reserves the right and is authorized to disclose any such information if (a) it is ordered to do so by a court of competent jurisdiction or a regulatory body, judicial or quasi-judicial agency or authority having the authority to compel such disclosure, (b) it is advised by its counsel that its failure to do so would be unlawful or (c) failure to do so would expose the Auction Agent to loss, liability, claim, damage or expense for which it has not received indemnity or security satisfactory to it.

(vi) In the event that any day that is scheduled to be an Auction Date shall be changed after the Auction Agent shall have given the notice referred to in clause (vi) of paragraph (a) of the Settlement Procedures, the Auction Agent, by such means as the Auction Agent deems practicable, shall give notice of such change to the Broker-Dealer not later than 9:15 a.m. on the earlier of the new Auction Date or the old Auction Date.

2.3 All-Hold Rate. (a) On each Auction Date, the Auction Agent shall determine the All-Hold Rate and the One Month Libor Rate. Not later than 9:30 a.m. on each Auction Date, the Auction Agent shall notify the Getty Trust and the Broker-Dealers of the All-Hold Rate and the One Month Libor Rate so determined.

(b) If, after delivery to the Auction Agent of the notice referred to in Section 2.18(A)(4) of the Indenture, the Auction Agent delivers to the Broker-Dealer either of the certificates referred to in Section 2.5(a) or (b) hereof, the next succeeding Auction will not be held.

(c) Upon the occurrence and continuation of an Event of Default, the Bond Trustee shall deliver to the Auction Agent the notice specified in Section 7.01 of the Bond Indenture. Auctions will be suspended and the interest rate on the Bonds for each subsequent
Auction Period commencing after the occurrence of such Event of Default to and including the subsequent Auction Period, if any, during which, or commencing less than two Business Days after, such Event of Default is cured in accordance with the Bond Indenture will equal the Maximum Interest Rate as determined by the Bond Trustee on the first day of such subsequent Auction Period as provided in the Bond Indenture. The interest rate on the Bonds for each subsequent Auction Period commencing at least two Business Days after any cure of any Event of Default shall be determined through implementation of the Auction Procedures.

(d) If the ownership of the Bonds is no longer maintained in Book-Entry Form by DTC, no further Auctions will be held and the interest rate on the Bonds for each subsequent Auction Period commencing after delivery of Bond certificates will equal the Maximum Interest Rate as determined on the Business Day immediately preceding the first day of such Auction Period as provided in the Bond Indenture. This Agreement shall automatically terminate if the ownership of the Bonds is no longer maintained in Book-Entry Form at DTC.

2.4 Auction Schedule. The Auction Agent shall conduct Auctions in accordance with the schedule set forth below. Such schedule may be changed by the Auction Agent with the consent of the Getty Trust, which consent shall not be unreasonably withheld or delayed. The Auction Agent shall give notice of any such change to each Broker-Dealer. Such notice shall be received prior to the first Auction Date on which any such change shall be effective.

The Auction Agent may, thereafter, at the written direction of the Getty Trust, enter into a Broker-Dealer Agreement with any person who requests to be selected to act as a Broker-Dealer in accordance with the provisions of the Bond Indenture. The Auction Agent shall have entered into a Broker-Dealer Agreement with each Broker-Dealer prior to the participation of any such Broker-Dealer in any Auction. The Auction Agent shall not be required to enter into a Broker-Dealer Agreement with any Broker-Dealer within seven days of any Auction Date unless prior thereto it shall have received a manually executed Broker-Dealer Agreement from a Broker-Dealer reasonably acceptable to the Auction Agent.
(b) The Auction Agent shall terminate any Broker-Dealer Agreement as set forth therein if so directed by the Getty Trust.

2.10 Access to and Maintenance of Auction Records. The Auction Agent shall afford to the Getty Trust, its agents, independent public accountants and counsel, access at reasonable times during normal business hours to review and make extracts or copies (at the Getty Trust’s sole cost and expense) of all books, records, documents and other information concerning the conduct and results of Auctions, provided that any such agent, accountant, or counsel shall furnish the Auction Agent with a letter from the Getty Trust requesting that the Auction Agent afford such Person access. The Auction Agent shall maintain records relating to any Auction for a period of two years after such Auction (unless requested by the Getty Trust to maintain such records for such longer period not in excess of four years, then for such longer period), and such records shall, in reasonable detail, accurately and fairly reflect the actions taken by the Auction Agent hereunder. The Getty Trust agrees to keep any information regarding the customers of any Broker-Dealer received from the Auction Agent in connection with this Agreement or any Auction confidential and shall not disclose such information or permit the disclosure of such information without the prior written consent of the applicable Broker-Dealer to anyone except such agent, accountant or counsel engaged to audit or review the results of Auctions as permitted by this Section 2.10. Any such agent, accountant or counsel, before having access to such information, shall agree to keep such information confidential and not to disclose such information or permit disclosure of such information without the prior written consent of the applicable Broker-Dealer, except as may otherwise be required by law. (b) After the initial Interest Payment Date in the Auction Mode, on the Interest Payment Date immediately following each Auction Date with respect to the immediately preceding Auction Period, the Broker-Dealers shall be entitled to receive a fee for all services rendered by them under the Broker-Dealer Agreements with respect to the Auction held on such Auction Date in an amount equal to the product of (i) the Broker-Dealer Fee Rate times (ii) a fraction, the numerator of which is the number of days in the Auction Period immediately following such Auction Date and the denominator of which is 360 days, times (iii) the aggregate principal amount of Outstanding Bonds at the close of business on the Regular Record Date immediately preceding such Auction Date (the “Broker-Dealer Fee”). The Broker-Dealer Fee shall be payable by the Getty Trust solely out of amounts received by the Auction Agent in accordance with Section 5.5(d) hereof. The Broker-Dealer Fee Rate shall be the prevailing rate received by broker-dealers for rendering comparable services to others. If the then current Broker-Dealer Fee Rate is not, in the opinion of the Auction Agent, the prevailing rate, the Getty Trust shall change the Broker-Dealer Fee Rate so that it equals such prevailing rate. The initial Broker-Dealer Fee Rate shall be [_____% per annum]. If the Getty Trust changes the Broker-Dealer Fee Rate pursuant to the terms hereof, the Getty Trust shall notify the Auction Agent thereof. Any change in the Broker-Dealer Fee Rate shall be effective on the Auction Date next succeeding such change.

The Auction Agent shall pay to the Broker-Dealers the Broker-Dealer Fee applicable to any Broker-Dealer as set forth in Section 2.5(b) of each Broker-Dealer Agreement. The Auction

2.1 Purpose; Incorporation by Reference of Auction Procedures and Settlement Procedures.
(a) On each Auction Date, the provisions of the Auction Procedures will be followed by the Auction Agent for the purpose of determining the Auction Rate for the next Auction Period. Each periodic operation of such procedures is hereinafter referred to as an “Auction.”

(b) All of the provisions contained in the Auction Procedures and the Settlement Procedures are incorporated herein by reference in their entirety and shall be deemed to be a part of this Agreement to the same extent as if such provisions were fully set forth herein.

(c) BD agrees to act as, and assumes the obligations of and limitations and restrictions placed upon, a Broker-Dealer under this Agreement. BD understands that other Persons meeting the requirements specified in the definition of “Broker-Dealer” contained in Section 1.01 of the Bond Indenture may execute a Broker-Dealer Agreement and participate as Broker-Dealers in Auctions.

(d) BD and other Broker-Dealers may participate in Auctions for their own accounts. However, the Getty Trust may by notice to BD and all other Broker-Dealers prohibit all Broker-Dealers from submitting Bids in Auctions for their own accounts, provided that Broker-Dealers may continue to submit Hold Orders and Sell Orders. A copy of any such notice shall also be delivered to the Auction Agent.

2.2 Preparation for Each Auction.

(a) Not later than 9:30 a.m. on each Auction Date for the Bonds, the Auction Agent shall advise BD by telephone (or by other Electronic Means acceptable to the parties) of the All-Hold Rate and the One Month Libor Rate.

2.3 **Auction Schedule: Method of Submission of Orders.**

(a) The Auction Agent shall conduct Auctions for the Bonds in accordance with the schedule set forth below. (d) BD agrees to handle its customers’ Orders in accordance with its duties under applicable securities laws and rules.

(b) BD shall notify each Existing Holder or Potential Holder on whose behalf BD has submitted an Order as set forth in paragraph (b) of the Settlement Procedures and take such other action as is required of BD pursuant to the Settlement Procedures.

(c) The Auction Agent shall deliver to BD after receipt of all notices and certificates which the Auction Agent is required to deliver to BD pursuant to Section 2 of the Auction Agent Agreement at the times and in the manner set forth in the Auction Agent Agreement.

2.5 Service Charge to Be Paid to BD.

(a) On the initial Interest Payment Date, the Auction Agent shall pay to BD from moneys received from the Getty Trust pursuant to Section 5.5(c) of the Auction Agent Agreement an amount equal to the product of (i) a fraction, the numerator of which is the number of days in the initial Auction Period and the denominator of which is 360, times (ii) [0.25 of 1% of the par amount] times (iii) the pro rata share of the product on the [Issue Date] as set forth in the list of the initial Existing Holders delivered to the Auction Agent pursuant to Section 2.2 (a)(i) of the Auction Agent Agreement.

(b) After the initial Interest Payment Date, on the Interest Payment Date immediately following each Auction Date with respect to the immediately preceding Auction Period, the Auction Agent shall pay to BD from moneys received from the Getty Trust pursuant to Section 5.5(d) of the Auction Agent Agreement an amount equal to the product of (i) a fraction, the numerator of which is the number of days in the Auction Period next succeeding such Auction Date and the denominator of which is 360, times (ii) [0.25 of 1% of the aggregate principal amount of Outstanding Bonds of the applicable Series] at the close of business on the Record Date immediately preceding such Auction Date (the “Broker-Dealer Fee Rate”). Any changes in the Broker-Dealer Fee Rate shall be effective on the Auction Date next succeeding such change.

2.6 Settlement. (a) If any Existing Holder on whose behalf BD has submitted a Bid or Sell Order for Bonds that was accepted in whole or in part fails to instruct its Agent Member to deliver the Bonds subject to such Bid or Sell Order against payment therefor, BD shall instruct such Agent Member to deliver such Bonds against payment therefor and BD may deliver to the Potential Holder on whose behalf BD submitted a Bid that was accepted in whole or in part a
principal amount of the Bonds that is less than the principal amount of the Bonds specified in such Bid to be purchased by such Potential Holder. Notwithstanding the foregoing terms of this Section, any delivery or non-delivery of Bonds which represents any departure from the results of an Auction, as determined by the Auction Agent, shall be of no effect unless and until the Auction Agent shall have been notified of such delivery or non-delivery in accordance with the terms of Section 2.3(d) hereof. The Auction Agent shall have no duty or liability with respect to enforcement of this Section 2.6(a).

(b) None of the Auction Agent, the Getty Trust or the Issuer shall have any responsibility or liability with respect to the failure of an Existing Holder, a Potential Holder or an Agent Member or any of them to deliver Bonds or to pay for Bonds sold or purchased pursuant to the Auction Procedures or otherwise.

ARTICLE III

3.2 Rights of the Auction Agent. (a) The Auction Agent may conclusively rely and shall be fully protected in acting or refraining from acting upon any communication authorized by this Agreement and upon any written instruction, notice, request, direction, consent, report, certificate, share certificate or other instrument, paper or document believed by it to be genuine. The Auction Agent shall not be liable for acting, or refraining from acting, upon any telephone communication authorized by this Agreement (including, but not limited to, any made by telephone or telecopier), which the Auction Agent believes in good faith to have been given by the Getty Trust or by a Broker-Dealer. The Auction Agent may record telephone communications with the Broker-Dealers.

(b) The Auction Agent may consult with counsel of its own choice, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Auction Agent shall not be required to advance, expend or risk its own funds or otherwise incur or become exposed to financial liability in the performance of its duties hereunder.

(d) The Auction Agent may perform its duties and exercise its rights hereunder either directly or by or through agents or attorneys and shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it with due care hereunder.

(e) The Auction Agent shall have no obligation or liability in respect of the registration or exemption therefrom of the Bonds under federal or state securities laws or in respect of the sufficiency or the conformity of any transfer of the Bonds to the terms of the Auction Agent Agreement, the Broker-Dealer Agreement, the Bond Indenture or any other document contemplated therein or thereby.

3.3 Auction Agent's Disclaimer. MARKET AGENT AGREEMENT

This MARKET AGENT AGREEMENT, dated as of ________, 20__ (the “Agreement”), by and between Wells Fargo Bank, National Association, as bond trustee (the “Bond Trustee”), under an Indenture, dated as of May 1, 2003, and amended and restated as of February 1, 2005 (as from time to time in effect, the “Indenture”), between California Infrastructure and Economic Development Bank (the “Issuer”) and the Bond Trustee, and J.P. Morgan Securities Inc. (in its role as market agent hereunder, the “Market Agent”), witnesseth:

WHEREAS, the Issuer has caused the Bond Trustee to authenticate and deliver $275,000,000 aggregate principal amount of its Variable Rate Revenue Bonds (The J. Paul Getty Trust), Series 2003A, 2003B, 2003C and 2003D (the “Bonds”) pursuant to the Indenture;

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the adequacy and sufficiency of which are hereby acknowledged, and intending to be legally bound, the Bond Trustee and the Market Agent agree as follows:

Section 1. Definitions. Capitalized terms used herein and not otherwise defined shall have the respective meanings given such terms in the Indenture.

Section 2. Appointment of Market Agent. As directed in Section 2.08 of the Indenture, the Bond Trustee hereby appoints ____________, as Market Agent with respect to the Bonds [of any Series converting to Auction Rate] to be executed and delivered under and pursuant to the Indenture. The Market Agent hereby accepts such appointment for the purpose of adjusting the percentage used in determining the All-Hold Rate, if any such adjustment is necessary to reflect any Change of Tax Law or change in market convention such that Bonds paying the All-Hold Rate shall have substantially equal market values before and after such Change of Tax Law or change in market convention, upon the terms and conditions set forth herein.

Section 3. Changes in Percentages Used to Determine the All-Hold Rate. The Market Agent agrees that it will comply with the provisions set forth in Section 2.08(A)(4) of the Indenture with respect to its duties as Market Agent in connection with adjusting the percentage used in determining the All-Hold Rate, including the preparation and delivery of such notices at the times and containing such information as referred to therein. Any notices delivered in writing pursuant to this Section 3 shall be substantially in the form of Exhibit A or Exhibit B, as the case may be, hereto.

Section 4. Other Duties. The Market Agent agrees to perform such other duties in accordance with the Indenture as are set forth therein to be performed by the Market Agent.

Section 5. Fees. The Market Agent agrees that it will receive ________ for its services as Market Agent under this Agreement and that any such fees shall be payable solely from Additional Payments paid by the Getty Trust under the Loan Agreement for such purpose.
Section 6. Rights and Liabilities of the Market Agent.

(a) The Market Agent shall incur no liability for, or in respect of, any action taken or omitted to be taken, or suffered by it in reliance upon the Indenture, any Bonds, on any written instruction, notice, request, direction, certificate, consent, report, affidavit, statement, order or other instrument, paper, document or communication reasonably believed by it in good faith to be genuine and on which it reasonably believed it is entitled to reply. Any instruction, notice, request, direction, certificate, consent, report, affidavit, statement, order or other instrument, paper, document or communication from the Bond Trustee or given by it and sent, delivered or directed to the Market Agent under, pursuant to, or as permitted by, any provision of this Agreement shall be sufficient for purposes of this Agreement if in writing and signed by any officer or authorized agent of the Bond Trustee. In the absence of bad faith or negligence on its part, neither the Market Agent nor its officers or employees shall be liable for any action taken, suffered or omitted or for any error of judgment made in the performance of its duties under this Agreement. The Market Agent shall not be liable for any error of judgment made in good faith unless the Market Agent shall have been negligent in ascertaining (or failing to ascertain) the pertinent facts. No party shall be liable for any default resulting from force majeure, which shall be deemed to include any circumstances beyond the reasonable control of the party affected. No action, regardless of form, arising out of or pertaining to the role of the Market Agent hereunder may be brought by any party hereto or beneficiary hereof more than twelve (12) months after the cause of action has occurred.

(b) In acting under this Agreement, and in connection with the Bonds, the Market Agent is acting solely as agent of the Bond Trustee (provided, however, that the Bond Trustee shall have no responsibility for the Market Agent or the Market Agent’s performance or conduct hereunder) and does not assume any obligation or relationship of agency or trust for or with any of the Beneficial Owners of the Bonds.

(c) The Market Agent may consult with counsel satisfactory to it, and the advice of such counsel shall be full and complete authorization and protection in respect of any action taken or omitted to be taken or suffered by it hereunder in good faith and in accordance with the advice of such counsel.

(d) The Market Agent, its directors, officers and employees may become the owner of, or acquire an interest in, any Bonds, with the same rights that such Market Agent, director, officer or employee would have if the Market Agent were not Market Agent hereunder, and the Market Agent, its directors, officers and employees may engage or be interested in any financial or other transaction with the Issuer and may act on, or as depository, paying agent or agent for, any committee or body of Holders of Bonds or other obligations of the Issuer as freely as if the Market Agent were not a Market Agent hereunder.

(e) The Market Agent shall not incur any liability with respect to the validity of any of the Bonds.
Section 7. **Duties of the Market Agent.** The Market Agent shall be obligated only to perform such duties as are specifically set forth herein and no other duties or obligations on the part of the Market Agent, in its capacity as such, shall be implied by this Agreement.
