

Top 10 Things to Do with your Family at The Getty Villa

Headed to the Villa with your family? Click links below to prepare, or print this to take along. You can also open it onsite with your mobile device.

Here's the best of the best (drumroll, please...)

10. Meet [gods](#), [heroes](#) and [monsters](#) from the ancient world.
9. Look closely to see if you can find where broken 2,000-year-old vases were put back together.
8. Pretend to be an actor from ancient Greece in the Outdoor Classical Theater.
7. Touch and smell the [plants in the Herb Garden](#).

6. Be a Villa Voyager or an Art Detective with our family handouts.
5. Find [Herakleides](#), the Getty's mummy, and [learn how he was preserved](#).
4. See an ancient [child's piggy bank](#), [ancient toys](#), and the pieces used to play [knucklebones](#) (you can [try it yourself online](#) too!) to learn about kids in the ancient world.
3. Pick up a [free GettyGuide® multimedia player](#) and listen to kid-friendly recordings about the works of art.
2. Get creative in the [Family Forum](#) – draw, pose, build!
1. [Tell stories, play, be an artist!](#) Click the link for tips on how to bring art alive for your family during a visit to the Villa.
