

## Selected Photographers in the J. Paul Getty Museum Collection January 2013

The list below includes the name and life dates of the photographers whose work is represented in the collection of the J. Paul Getty Museum by five or more individual prints, daguerreotypes, and/or other cased objects; and the number of individual works (as specified above).

Please note that this list does not take into account stereographs, cartes-de-viste, items in books, and/or albums; nor does it include about 1,000 additional photographers represented by less than five individual works (as specified).

For inquiries, or to make an appointment with the Photographs Study Room, Department of Photographs, call (310) 440-6589, fax (310) 440-7743, or email [photographs@getty.edu](mailto:photographs@getty.edu).
