

Introducing Movement

Learning about the principles of design? Continue by noticing movement in works of art. Movement describes the path your eyes take through a work of art. Look at the sculpture of the kicking horse below. Notice the lines, edges, and shape. What elements create movement in this piece?

Caspar Gras (German, about 1584/1585–1674)
Kicking Horse, about 1630
The J. Paul Getty Museum, Los Angeles

Education

Introducing Movement

Build your knowledge of movement. Notice how different types of lines can create movement.

Draw an object and use different types of lines to describe movement.

Blank space for drawing an object and using different types of lines to describe movement.
