The proposed insured may revoke this authorization at any time. To revoke the authorization, the proposed insured must write to MetLife at P.O. Box 14069, Lexington, KY 40512-4069, and inform MetLife that this Authorization is revoked. Any action taken before MetLife receives the proposed insured's revocation will be valid. Revocation may be the basis for denying coverage or benefits. If the proposed insured does not sign this Authorization, that person's enrollment for group insurance cannot be processed.

By signing below, each proposed insured acknowledges his or her understanding that:

- All or part of the information, records and data that MetLife receives pursuant to this authorization may be disclosed to MIB. Such information may also be disclosed to and used by any reinsurer, employee, affiliate or independent contractor who performs a business service for MetLife on the insurance applied for or on existing insurance with MetLife, or disclosed as otherwise required or permitted by applicable laws.
- Medical information, records and data that may have been subject to federal and state laws or regulations, including federal rules issued by Health and Human Services, setting forth standards for the use, maintenance and disclosure of such information by health care providers and health plans and records and data related to alcohol and drug abuse protected by Federal Regulations 42 CFR part 2, once disclosed to MetLife or upon redisclosure by MetLife, may no longer be covered by those laws or regulations.
- Information relating to HIV test results will only be disclosed as permitted by applicable law.
- Information obtained pursuant to this authorization about a proposed insured may be used, to the extent permitted by applicable law, to determine the
  insurability of other family members.
- A photocopy of this form is as valid as the original form. Each proposed insured has a right to receive a copy of this form.
- I authorize MetLife, or its reinsurers, to make a brief report of my personal health information to MIB.
